E-mail: PJeanPierre@nd.edu

EDUCATION

- 2009 ***M.P.H. – PUBLIC HEALTH, CLINICAL INVESTIGATION***
University of Rochester School of Medicine and Dentistry, Rochester, New York
- 2005 ***Ph.D. – CLINICAL PSYCHOLOGY***
University of Rhode Island, Kingston, Rhode Island
- 2003 ***M.A. – CLINICAL PSYCHOLOGY***
University of Rhode Island, Kingston, Rhode Island
- 1999 ***B.A. – PSYCHOLOGY***
Brooklyn College of the City University of New York, Brooklyn, New York

SCHOLARSHIPS AND FELLOWSHIPS

- 2011 *Near-Infrared Spectroscopy and Diffuse Optical Tomography (NIRS-DOT) Visiting Fellowship.* MGH/MIT/HMS Athinoula A. Martinos Center for Biomedical Imaging.
- 2008 *Functional MRI Visiting Fellowship: Intensive Introduction to Brain Imaging.* MGH/MIT/HMS Athinoula A. Martinos Center for Biomedical Imaging.
- 2008 Certificate - *ROCHESTER CLINICAL RESEARCH CURRICULUM*
University of Rochester, Community & Preventive Medicine Department
- 2005 – 2007 *Cancer Control and Prevention Fellowship (NCI R25)/Postdoctoral Studies*
University of Rochester Medical Center & James P. Wilmot Cancer Center.
- 2005 *Pre-doctoral Clinical Psychology Internship (APA-Approved)*
Pilgrim Psychiatric Center, West Brentwood, Long Island, NY.

RESEARCH SUPPORT

NCI 1R25CA10261801A1 Project Dates: 2005 – 2007
Cancer Control Research Training Curriculum
Principal Investigator: Gary Morrow, PhD, MS
Role: Cancer Control & Prevention Fellow

NCI 1R21CA118883 Project Dates: 2008 – 2009
Patient Expectations and Chemotherapy-Induced Nausea
Role: Co-Investigator

National Institutes of Health Project Dates: 2006 – 2011
Loan Repayment for Health Disparities Research

3U01CA116924-03S1 Project Dates: 2007 – 2009
NCI Diversity Research Supplement
University of Rochester Patient Navigator Research Project
National Cancer Institute, Comprehensive Biomedical Branch, Bethesda, MD
Role: Co-Investigator

NCI/NIH U01 CA116924-01 Project Dates: 2005 – 2010
Title: RCT of Primary Care-based Patient Navigation-Activation
Major goal of project: To evaluate the impact of patient navigation on cancer related quality of care and racial and socioeconomic disparities in cancer-related care.
Role: Co-Investigator

ACADEMIC/PROFESSIONAL APPOINTMENTS

2012-Present *ASSISTANT PROFESSOR OF PSYCHOLOGY*
University of Notre Dame, Notre Dame, IN
Primary: Department of Psychology
Member: Harper Cancer Research Institute

2010-2012 *ASSISTANT PROFESSOR OF RADIATION ONCOLOGY (Tenure-Track)*
University of Miami Leonard Miller School of Medicine, Miami, FL
Primary: Department of Radiation Oncology
Member: Sylvester Comprehensive Cancer Center

2010-Present *ADJUNCT ASSISTANT PROFESSOR OF RADIATION ONCOLOGY*
University of Rochester School of Medicine and Dentistry, Rochester, NY
Primary: Radiation Oncology

2005-2009 *RESEARCH ASSISTANT PROFESSOR OF RADIATION ONCOLOGY*
University of Rochester School of Medicine and Dentistry, Rochester, NY
Primary: Radiation Oncology
Secondary: Family Medicine

2002-2005 *ADJUNCT LECTURER IN PSYCHOLOGY*
Brooklyn College of the City University of New York, Brooklyn, NY

* = Student, Graduate/Medical Student, Medical Resident/Fellow

Dr. Pascal Jean-Pierre 2 of 24

2003-2003 *VISITING PROFESSOR, PSYCHOLOGY*
Connecticut College, New London, CT

DISTINCTIONS, HONORS & AWARDS

- 2012 – 2015 *Member, American Society of Clinical Oncology's (ASCO) Health Disparities Advisory Group. Appointed by ASCO Boards of Directors.*
- 2012 *National Institute of Health, Summer Institute in Behavioral Medicine and Sleep Disorders Research. Program to Increase Diversity (PRIDE) in Behavioral Medicine and Sleep Disorders Research.*
- 2012 *National Institute of Arthritis & Musculoskeletal & Skin Disease Special Emphasis Panel, 2012/08 Council. Patient Reported Outcome Measurement Information Science (PROMIS), Grant Review Panel.*
- 2010 – 2012 *Member, Florida Cancer Control Research Advisory Council (CCRAB). Appointed by Florida Governor Charlie Crist in 2010.*
- 2010 – 2012 *Member, American Public Health Association, The Nation's Health Advisory Committee. Leadership Appointment by APHA Executive Board.*
- 2010 *New York State Governor's Advisory Panel on Prostate Cancer Awareness.*
- 2010 – 2012 *Florida Pediatric Society /Florida Chapter of the American Academy of Pediatrics. Board Member (Alternate Representative, Florida District 8).*
- 2010 *NIH/National Cancer Institute Symptom Management & Quality of Life Clinical Trials Planning Meeting on Cancer-Related Fatigue.*
- 2010 *National Patient Navigator Leadership Summit, Patient Reported Outcomes, Working Group Member, American Cancer Society.*
- 2010 – 2011 *National Institutes of Health – Loan Repayment for Health Disparities Research.*
- 2009 *Member, New York State Prostate and Testicular Cancer Detection and Education Advisory Council. Appointed by The New York State Office of the Governor.*
- 2009 *National Institutes of Health, National Center on Minority Health and Health Disparities (NCMHD), Special Emphasis Panel.*
- 2009 *NIH/National Cancer Institute, Patient Reported Outcome Measurement Information Science (PROMIS), Grant Review Panel*
- 2009 *Best of ASCO 2009. "Neuroprotective effect of SSRI among 781 cancer patients receiving chemotherapy: A URCC CCOP Study." Oral Presentation selected as Best of ASCO at the 2009 annual meeting of the American Society of Clinical Oncology.*

- 2009 Best Poster Award (2nd Prize) American Society of Preventive Oncology, 33rd Annual Meeting, Tampa, Florida.
- 2008 *Best of ASCO 2008. A Phase III randomized, placebo-controlled, double-blind trial of a eugeroic agent in 642 cancer patients reporting fatigue during chemotherapy: A URCC CCOP Study* (Oral Presentation, 2008 annual meeting of the American Society of Clinical Oncology).
- 2008 – 2010 National Institutes of Health – *Loan Repayment for Health Disparities Research*.
- 2008 University of Rochester Medical School *Dean's nomination for New York State Academy of Sciences 2008 Blavatnik Award for young scientist*.
- 2008 Best Poster award (3rd Prize) MD Anderson Conference on Mechanisms and Treatment of Cancer-related Symptoms.
- 2007 Seventh annual NIH Summer Institute on the Design and Conduct of Randomized Clinical Trials Involving Behavioral Interventions.
- 2007 National Institutes of Health/National Cancer Institute, Minority Investigators Workshop on Advanced Behavioral Methodologies.
- 2007 NIH/National Cancer Institute, Second Annual Minority Investigators Workshop on Behavioral Methodologies. Washington, D.C.
- 2006 American Cancer Society/American Association for Cancer Research scholarship to attend the 2006 AACR Frontiers in Cancer Prevention Research meeting in Boston, MA
- 2006 – 2008 National Institutes of Health – *Loan Repayment for Health Disparities Research*.
- 2006 NIH/National Cancer Institute, Conference on Understanding and Reducing Disparities in Health: Behavioral and Social Sciences Research Contributions. Bethesda, MD.
- 2006 National Cancer Institute – Second Biennial Career Development Workshop To Increase diversity in Research Funding. Palm Desert, CA.
- 2006 National Cancer Institute/Office of Behavioral & Social Science Research Third Annual Advanced Training Institute on Behavior Health Theory.
- 2006 MASCC - *Young Investigator Award*
Multinational Association of Supportive Care in Cancer, Toronto, Canada.
- 2006 National Cancer Institute - Cancer Control and Prevention Fellow
University of Rochester Medical Center, James P. Wilmot Cancer Center.
- 2005 Society of Multivariate Experimental Psychology (SMEP) – Minority Students Conference, Howard University, Washington, D.C.

- 2005 Stanley Berger Award for Outstanding Commitment to further the goals of Multiculturalism and/or Commitment to Underserved Populations
University of Rhode Island, Kingston, RI
- 2005 Finalist, *Peter Merenda Prize in research methodology and statistics*,
University of Rhode Island, Kingston, RI
- 2003-2004 Multicultural Fellow, Psychology Department Multicultural Task Force
University of Rhode Island, Kingston, RI
- 2002-2003 URI-Foundation Fellowship, University of Rhode Island, Kingston, RI
- 2001-2002 Multicultural Fellow, Psychology Department Multicultural Task Force
University of Rhode Island, Kingston, RI
- 1999-2001 URI Graduate Fellowship, University of Rhode Island, Kingston, RI
- 1999 Psi Chi, National Honor Society in Psychology
Brooklyn College of the City University of New York, Brooklyn, NY
- 1999-2000 Ascend/McNair Scholar
Brooklyn College, City University of New York
- 1998 Golden Key National Honor Society
Brooklyn College, City University of New York, Brooklyn, N.Y.
- 1997 Dean's Honor List, Brooklyn College, City University of New York.

(Paper presented at the Sixty-Six Annual Conference of the Association of Social and Behavioral Scientists, Inc. in Greensboro, North Carolina, 2002).

PROFESSIONAL PRESENTATIONS

Poster Presentations:

1. *Fundakoski, C., **Jean-Pierre, P.**, *Perez, E., *Jean-Pierre, A., Lelillo, A., Libby, R., Sargi, Z. *Cross-Validation of the Hospital Anxiety and Depression Scale in an Ethnically Diverse Outpatient Sample of Head and Neck Cancer Patients in Miami, Florida*. (American Head & Neck Society, International Conference. 2012, Toronto, Canada).
2. **Jean-Pierre, P.**, *Fundakowski, C., *Perez, E., Melillo, AB., Libby, R., Sargi, Z. *Latent Structure and Reliability Analysis of the Measure of Body Apperception: Cross-Validation for*

Head and Neck Cancer Patients. (Presentation at the 33rd Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, 2012, New Orleans, LA).

3. **Jean-Pierre, P.**, Winters, P., Ahles, T., Antoni, M., Armstrong, FD., Penedo, F., Lipshultz, SE., Miller, TL., Fiscella, K. *Cancer-Related Memory Problems, Demographic and Socioeconomic Backgrounds: A Cross-Sectional Study of the United States Population*. (Presented at the 2011 Annual Meeting of the American Society of Clinical Oncology).
4. **Jean-Pierre, P.**, Stoyanova, R., Penedo, F., Antoni, M., Abramowitz, M., Buyyounouski, M., Pollack, A. *Treatment-Related Side Effects and Quality of Life Among Prostate Cancer Patients Treated With Conventional versus Hypofractionated Intensity Mediated Radiotherapy A Phase III Hypofractionation Trial*. (Presented at the 2011 annual meeting of the American Society for Therapeutic Radiotherapy and Oncology).
5. **Jean-Pierre, P.**, Fiscella, K., Paskett, E., Winters, PC., Dudley, JD., Rosen, ST., Freund, K., Patierno, S., Raich, PC., Roetzheim, RG., for the PNRP group. *Psychometric Validation of the Patient Satisfaction with Cancer-Related Care Measure: A Multi-Site Patient Navigation Research Program*. (Presented at the 2011 annual meeting of the Multinational Association for Supportive Care in Cancer).
6. **Jean-Pierre, P.**, Fiscella, K., Paskett, E., Dudley, DJ, Winters, PC., Rosen S., Freund, K., Patierno, SR., Raich, PC., Roetzheim, RG. *Cross-Cultural Validation and Reliability Analysis of a Spanish version of the Patient Satisfaction with Cancer-Related Care Measure: A Patient Navigation Research Program*. (Presented at the 2011 annual meeting of the American Society of Preventive Oncology).
7. **Jean-Pierre, P.**, Fiscella, K., Winters, PC., Wells, K., Battaglia, T., Post, D., Simon, M., Kilbourn, K., for the Patient Navigation Research Program. *Psychometric Development and Validation of a Patient Satisfaction with Interpersonal Relationship with Navigator (PSN-I) Measure: A Multi-Site National Cancer Institute Sponsored Patient Navigation Research Program (PNRP) Study*. (American Association for Cancer Research, 2010 Disparities Research meeting, Miami, Florida).
8. **Jean-Pierre, P.**, Winters, PC, Ahles, T, Antoni, M, Armstrong, D, Penedo, F, Lipshultz, SE, Miller, TL, Morrow, G, Fiscella, K. *Prevalence of Memory Problems that Limit Daily Functioning in Adult Cancer Patients in a National Representative Sample of the United States Population*. (Presented at the 2010 Annual meeting of the American Society of Clinical Oncology).
9. **Jean-Pierre, P.**, Morrow, G., Heckler, C., Roscoe, J., Schwartzenger, P.O. Giguere, J.K., Dakhil, S.R. *Cancer Patients' Psychological Distress, Gender, Education and Development of Cancer-Related Fatigue during Chemotherapy Treatment: A URCC CCOP Study* (Presented at the 2008 MD Anderson Conference on mechanisms and treatments of cancer-related symptoms).
10. **Jean-Pierre, P.**, Fiscella, K., Belzie, L., Buendia, A., Vital-Herne, M., Daniella, M.D., Moise, F., Jean-Noel, P., Carroll, J., Morrow, G. *Immigrants' ethno-cultural backgrounds and perception of severity of psychological distress: A multiethnic study*. (Presented at the 2008 annual meeting of the Society of Behavioral Medicine).

11. **Jean-Pierre, P.**, Fiscella, K., Griggs, J., Freund, K., Dudley, D., Raich, P., Roetzheim, R., Paskett, E., Bennett, C., Patierno, S., Warren-Mears; V., Clark, J; Lash, T. *Development of a Patient Satisfaction with Cancer-Related Care (PSCC) measure for the National Cancer Institute (NCI) and American Cancer Society (ACS) funded Patient Navigation Research Program.* (Presented at the 2008 American Public Health Association annual conference).
12. **Jean-Pierre, P.**, Fiscella, K., Morrow, R., Carroll, J., Figueroa-Moseley, C., Lord, R., Gross, H., and Rothe, E. *Racial Disparities in Illness knowledge, Sources used for Cancer Information, and Perception of Cancer Treatment: A URCC CCOP Study.* (Presented at the American Association for Cancer Research, The Science of Cancer Health Disparities in Racial/Ethnic Minorities and the Medically Underserved, November 2007, Atlanta, GA).
13. **Jean-Pierre, P.**, Morrow, GR., Stevenson, J., Roscoe, JA., Kohli, S., Vinciguerra, V., Moore, Jr., DF., Huber, J. (2007). *Structural and reliability analyses of a brief patient report measure of memory problems related to cancer treatment.* (Presented at the 31st Annual meeting of the American Society of Preventive Oncology, Houston, TX).
14. **Jean-Pierre, P.**, Morrow, GR, Stevenson, J, Roscoe, JA, Kohli, S, Vinciguerra, V, Moore, Jr., DF, Huber, J. (2007). *Development and validation of a brief measure of treatment-related memory problems for cancer patients.* (Presented at the annual meeting of the Society for Behavioral Medicine, Washington, DC).

Toronto, Canada).
18. **Jean-Pierre, P.**, Roscoe, J.A., Morrow, G.R., Figueroa-Moseley, C., Wade, J.L., Khanna, R., & Fishkin, E. *Cancer patient age and race significantly predict concerns over understanding their diagnosis and treatment plan.* (Presented at the Society of Behavioral Medicine, 2006 Conference).
19. **Jean-Pierre, P.**, Morokoff, P., Harlow, L., Morrow, G.R., and Roscoe, J.A. *Influence of beliefs about illness etiology, religious orientation and acculturation on individuals' attitude towards seeking professional help.* (Presented at the Society of Behavioral Medicine, 2006 Conference. San Francisco, CA).

20. **Jean-Pierre, P.**, Roscoe, J., Morrow, G., Hofman, M., Fiscella, K., Griggs, J., Carroll, J., Figueroa-Moseley, C., Mattar, BI., Wade, JL. *Cancer Patients' illness and treatment-related concerns, and perceived information availability and utilization: Roles of socio-demographics*. (Presented at the American Society of Clinical Oncology 2006 Conference, Atlanta, GA).
21. Figueroa-Moseley, C., Williams, G., Morrow, G.R., and **Jean-Pierre, P.** *Perceived competence, autonomous motivation, and smoking among ethnically diverse adults*. (Presented at the Society of Behavioral Medicine 2006 Conference, San Francisco, CA).
22. **Jean-Pierre, P.**, Roscoe, J.A., Morrow, G.R., Figueroa-Moseley, C. *Understanding socio-demographic predictors of patients' concerns over understanding their diagnosis and treatment plan: A URCC CCPO Research Base study*. (Presented at the 2005 10th Annual Scientific Symposium of the University of Rochester Cancer Center).
23. Hofman, M., **Jean-Pierre, P.**, Roscoe, J.A., and Morrow, G.R. (2005) *Relationship of patients' expectations and occurrence of cancer treatment side effects: A URCC CCOP Study*. (Presented at the 2005, 10th Annual Scientific Symposium of the University of Rochester, James P. Wilmot Cancer Center).
24. **Jean-Pierre, P.** (2005). *Ethno-cultural and psychosocial determinants of help-seeking attitude in a multiethnic sample*. (Society of Multivariate Experimental Psychology, Minority conference at Howard University).

CLINICAL INTERESTS

- Management of cancer and cancer treatment-related neurocognitive dysfunction and psychobehavioral side effects (e.g., psychological distress and fatigue).
- Assessment and intervention with multicultural and socioeconomically diverse populations.

RESEARCH INTERESTS

- Etiology, assessment and management of cancer-related neurocognitive dysfunction.
- Management of psychosocial side effects of cancer and its treatments (e.g., fatigue, psychological distress).
- Psychometrics (Development and validation of measures to assess the presence and severity of cancer and treatment-related side effects such as fatigue and impairments in attention, memory, mental processing and executive function, as well as illness causal attribution, health behavior, and satisfaction with cancer-related care).
- Neuropsychological rehabilitation/cognitive training.
- Application of neuropsychological assessment, neuroimaging and biomarkers analysis to understanding cancer-related brain dysfunction, plasticity and recovery.

CLINICAL EXPERIENCE

2004 - 2005 *PRE-DOCTORAL CLINICAL PSYCHOLOGY INTERN*
 PILGRIM PSYCHIATRIC CENTER, Neuroscience Treatment Unit
 West Brentwood, New York
 Responsibilities on the ward and Neuroscience Treatment Unit included:

- Conducting group psychotherapy interventions related to symptom management, social skills development, and cognitive rehabilitation with severely mentally ill individuals with schizophrenia.
- Providing short-term individual/group psychotherapy for anger management, impulse control disorders, and other psychosocial stressors to severely mentally ill patients.
- Writing psychotherapy progress notes, and psychological reports.
- Conducting psychological evaluation, lethality assessment, personality and cognitive evaluation for in-patient and outpatient populations.
- Participating in multidisciplinary treatment team discussion, evaluation, and planning for individual patients and group ward functioning.
- Participating in many aspects of research development, meeting, and discussion, as well as research data collection and evaluation activities for studies examining the relationships between various psychotropic medications (Atamoxetine) and cognitive functioning in individuals with schizophrenia.
- Administering neuropsychological test batteries to patients involved in various studies at the Neuroscience treatment unit.
- Conducting hospital-wide neuropsychological assessment at baseline and follow-ups for patients receiving Electro Convulsive Therapy (ECT). Also developing and maintaining database for ECT Studies.
- Participating in weekly seminars on various areas of psychology and psychiatry, as well as weekly individual and group supervisions.

Individual Supervisors: Michael Parrella, PhD; Leonard White, PhD

Clinical Training Director/Group Supervisor: David Close, PsyD

Chief Psychologist: Paul Poretzky, PhD

2002 - 2004 *CLINICAL PSYCHOLOGY INTERN*
University of Rhode Island Counseling Center
Kingston, Rhode Island

- Conducted psychological intake assessments.
- Provided short-term cognitive and psychodynamic individual psychotherapy to undergraduate and graduate students.
- Participated in weekly individual and group supervision.

Supervisors: John Sullivan, PsyD; Stephen Myles, PhD (Deceased);
Patricia Morokoff, PhD

2001 - 2003 *CLINICIAN ON INDIVIDUAL CLINICAL SERVICES TEAM*
University of Rhode Island Psychological Consultation Center
Kingston, Rhode Island

- Conducted psychological intake assessment.
- Provided short-term Cognitive and psychodynamic individual therapy on an outpatient basis.
- Patient populations consisted of adult clients from various Rhode Island communities who presented with various psychological issues.

Supervisor: Lawrence Grebstein, PhD

2001 - 2002 UNIVERSITY OF RHODE ISLAND
Psychological Consultation Center
CLINICIAN ON FAMILY/COUPLE THERAPY TEAM.

- Conducted psychological intake assessments for couples and families.

- Conceptualized cases and made diagnoses using DSM-IV-TR Multiaxial Assessment. Established treatment goals and objectives.
 - Provided outpatient short-term and long-term family/couple psychotherapy.
 - Participated in group (Family Team) discussion and supervision.
- Supervisor: Ann Varna-Garis, PhD

2001

NARRAGANSETT INDIAN HEALTH CENTER
Charlestown, Rhode Island
BEHAVIORAL HEALTH SPECIALIST

- Provided short-term psychotherapy for alcohol and other substance abuse, impulse control problems, and other psychological disorders to court ordered Narragansett Tribal Indian clients. Provided psychotherapy to clients for alcohol and smoking cessation.
- Conducted psychological intake assessments, conceptualized cases, and provided clinical diagnoses using DSM-IV-TR Multiaxial Assessment Model. Established treatment goals and objectives, selected treatment modality, and interventions.
- Consulted with multidisciplinary team members.

Supervised by: Jibrán Khan, MD

2000 - 2001

UNIVERSITY OF RHODE ISLAND
Psychological Consultation Center
CLINICIAN ON INDIVIDUAL ASSESSMENT AND THERAPY TEAM

- Conducted psychological intake assessments. Provided outpatient individual short-term and long-term psychodynamic and cognitive therapy to out-patient clientele.
- Participated in case presentations, and group and individual supervision.

Supervisor: Katherine Haspel, PhD

2000 - 2001

DONALD W. WYATT, Detention Facility of Central Falls
Central Falls, Rhode Island
MULTICULTURAL PRACTICA/CLINICAL PSYCHOLOGY INTERNSHIP

- Conducted Group Therapy with incarcerated adult male offenders from divergent cultural backgrounds.
- Co-lead psychotherapeutic and psycho-educational groups on substance abuse or anger management issues.

Supervised by: Maria Garrido, PsyD

2000

UNIVERSITY OF RHODE ISLAND
Psychological Consultation Center (Spring 2000)
CLINICIAN ON INTAKE ASSESSMENT TEAM

- Conducted intake assessment interviews.
- Formulated diagnostic impressions and treatment recommendations based on diagnostic criteria of DSM-IV and DSM-IV-TR.
- Participated in clinical case discussions and presentations during assessment team and clinic meeting.

Supervised by: Allan Berman, PhD (Deceased).

2000

UNIVERSITY OF RHODE ISLAND
University Counseling Center
National Depression Screening Day (Fall 2000)

DEPRESSION SCREENING COUNSELOR, Clinical Student Volunteer

- Administered, scored, interpreted, and reviewed depression screening instrument with clients.
- Discussed clients' reactions and questions. Provided on-campus/off-campus referrals.

1998 CONEY ISLAND HOSPITAL, Psychiatry and Psychology Department
Brooklyn, New York

STUDENT VOLUNTEER, PSYCHOLOGY EXTERNSHIP

- Assisted psychiatrists, psychotherapists, nurses, and social workers.
- Monitored and observed patients with various psychological disorders and substance abuse problems.

Supervised by: Allan Sapolsky, PhD (Deceased)

1992 - 1995 ASSOCIATION FOR THE HELP OF RETARDED CHILDREN
Cyril Weinberg Center, Long Island City, New York

DEVELOPMENTAL SPECIALIST

- Designed and implemented programs to promote independent functioning for autistic and mentally challenged adolescents and adults.
- Developed activities to facilitate learning of important social skills.
- Monitored clients' progress in behavior modification training.
- Participated in case conferences with multidisciplinary team.

COMMUNITY SERVICE ACTIVITIES

- Member of the Advisory Group Committee, and the Measurement and Data Management & Analysis committee for the NCI-sponsored Patient Navigator Research Program, Rochester, NY.
- Member Health Research Committee Board for the Haiti Outreach-Pwoje Espwa (H.O.P.E.), a non-profit organization based in Rochester, New York, which has established and continue to run a healthcare clinic in an impoverished area of a northern province of Haiti (2006 – 2010).
- American Public Health Association, The Nation's Health Advisory Committee. Leadership Appointment by APHA Executive Board (2010 – 2012).
- Florida Pediatric Society /Florida Chapter of the American Academy of Pediatrics. Board Member [Alternate Representative, Florida District 8] (2010 - 2012).
- Member of the New York State *Prostate and Testicular Cancer Detection and Education Advisory Council*. Appointed by The New York State Office of the Governor (2009).

CONSULTATION/WORKSHOP

2003 RHODE ISLAND DEPARTMENT OF HEALTH
Urban League of Rhode Island

CONSULTANT/WORKSHOP PRESENTER

- Conducted workshops on Child rearing, boundary setting and discipline skills, and the impact of sexual, physical and mental abuse on children for the Urban League of Rhode Island's Men 2 B role models program.

- The program was designed to build capacity for and support the development of confident and caring male role models for preadolescent and adolescent boys in five urban communities in Rhode Island.

COURSES/SEMINARS TAUGHT

- General Psychology
- Current Issues in Psychology
- Social Psychology
- Introduction to Research Project (Neuroscience)
- Child Psychology/Life-Span/Human Development
- Seminar Modules: 1) Assessment and Management of Cancer and Cancer Treatment-Related Neurocognitive Dysfunction, Cancer-Related Fatigue, and Psychosocial Distress

PROFESSIONAL AFFILIATIONS

- Associate Member - American Society of Clinical Oncology (ASCO)
- Associate Member – American Association for Cancer Research (AACR)
- Member - American Society of Preventive Oncology (ASPO)
- Member - Multinational Association of Supportive Care in Cancer (MASCC)
- Member - International Society for Oral Oncology (ISOO)
- Member – Society of Behavioral Medicine (SBM)
- Member - American Psychological Association (APA)
- Member - APA Division 40, Neuropsychology (APA – Division 40)
- Member – American Public Health Association (APHA)

AD HOC JOURNAL REVIEW

- Journal of the International Neuropsychological Society (JINS)
- Psycho Oncology (PON)
