

2008 Counseling Psychology Program Mandatory Disclosure Data

Programs accredited by the American Psychological Association are required to disclose specific education/training outcomes and other information to prospective doctoral students. The following five items are provided here to satisfy this disclosure requirement. Prospective students are encouraged to contact the program directly if they want additional information.

1. Time to Completion = 7 years (including internship year)

Completion Time in Number of Years	
Mean	Median
6.85	6.96
6.94	6.96
6.82	6.85

All graduates (N = 25)*

Graduates* who entered with master's degrees (n = 5)

Graduates* who entered with bachelor's degrees (n = 20)

*past 7 years; includes internship year.

Completion Time in Percentages	
8%	< 5 years
4%	5 years
28%	6 years
36%	7 years
24%	> 7 years

Program graduates** time to complete PhD

*past 7 years; includes internship year.

2. Program Costs

Graduate students generally receive full tuition scholarships for the duration of their graduate studies. Doctoral students in good standing academically are guaranteed multi-year research or teaching assistantships or fellowships. Additional financial details, including housing and health insurance, are available at: <http://graduateschool.nd.edu/html/financial.support/>

3. Internship rate = 100%

Number (% of applicants) by Internship Year

	2007-08*	2006-07	2005-06	2004-05	2003-04	2002-03	2001-02
Obtained Internship	n/a	3 (100)	3 (100)	4 (100)	3 (100)	5 (100)	3 (100)
Obtained Paid Internship	n/a	3 (100)	3 (100)	4 (100)	3 (100)	5 (100)	3 (100)
Obtained APPIC member internship	n/a	3 (100)	3 (100)	4 (100)	3 (100)	5 (100)	3 (100)
Obtained APA accredited internship	n/a	3 (100)	3 (100)	4 (100)	3 (100)	5 (100)	3 (100)
Obtained 2-year 1/2 time internships	n/a	0 (0)	0 (0)	0 (0)	0 (0)	0 (0)	0 (0)

*There were no applicants for the 2007-08 internship year.

4. Attrition rate = 15%

From the past seven entering cohorts, four students have left the program. Twenty-six students started the program in that interval, for a 15% attrition rate.

Year	Originally Enrolled	PhDs	Currently Enrolled	Attrition
2000	3	3	0	0
2001	4	1	2	1
2002	2	0	0	2
2003	3	0	2	1
2004	5	0	5	0
2005	5	0	5	0
2006	4	0	4	0
Total	26	4	18	4

5. Licensure rate = 87%

37 students earned PhDs from the program during the 1997-2005 period. Licensure information is unavailable for six of these graduates. 27 of the remaining 31 program graduates are licensed as psychologists, for an 87% licensure rate.
