

Sara M. Stasik

118 Haggard Hall · Notre Dame, IN · 46556

sstasik@nd.edu · (847) 373-7272**EDUCATION**

- 2014 (Ph.D.) University of Notre Dame, *Clinical Psychology*
 -Expected- · *Dissertation Title*: “Nosological Placement of Obsessive-Compulsive and Related Disorders: A Comprehensive Structural Analysis”
 · Advisor: David Watson, Ph.D.
- 2013-2014 (current) Edward Hines Jr. VA Hospital, *Clinical Psychology Internship*
 · APA-accredited clinical psychology internship program
 · Training Director: Caroline Hawk, Ph.D.
- 2010 (M.A.) University of Iowa, *Clinical Psychology*
 · *Master’s Thesis*: “Examination of the Symptom Structure of Obsessive-Compulsive Disorder and its Relation to Obsessive-Compulsive Spectrum Disorders”
 · Advisor: David Watson, Ph.D.
- 2004 (B.A.) Miami University, Oxford, Ohio
 · Double major: Psychology and Spanish
 · Magna cum laude
 · Dean’s List 2001 – 2004

Departmental Presentations/Panels

- 2013 *Successful Recent Job Applicants (Panel)*. Panel presentation given at the graduate student Professional Development Group, University of Notre Dame.
- 2009 *Student Disability Services Evaluations: Foreign Language Disability*. Presentation given at the Clinical Psychology Brown Bag Series, University of Iowa.

RESEARCH EXPERIENCE

Graduate

- 2011 – 2013 **Lab Manager**
Center for Advanced Measurement of Personality and Psychopathology
 Co-Directors: Lee Anna Clark, Ph.D., David Watson, Ph.D.
 Department of Psychology, University of Notre Dame
Responsibilities: assist with start-up of new lab space; oversee day-to-day operations including maintaining RA information database, RA orientations, scheduling, purchasing; lab meeting organization; RA recruitment
- 2009 – 2013 **Research Assistant**
Center for Advanced Measurement of Personality and Psychopathology
 Co-Directors: Lee Anna Clark, Ph.D., David Watson, Ph.D.
 Department of Psychology, University of Notre Dame
 Department of Psychology, University of Iowa
Responsibilities: IRB submission and management; protocol development; RA training and supervision; development/management of online surveys; participant recruitment, enrollment, scheduling, and payment; data collection, management, and analysis; participant database management
- 2008 – 2010 **Research Assistant**
University of Iowa Maternal Depression Laboratory
 Director: Lisa Segre, Ph.D.
 College of Nursing, University of Iowa
Responsibilities: clinical interviewing (including the SCID-I and HRSD); participant recruitment, enrollment, and retention for three-wave longitudinal study; communication with off-site team members and agencies; conducted training in clinical interviewing for RAs and study procedures for treatment providers; data collection, management, and analysis; report and newsletter writing; manuscript writing

Undergraduate

- 2004 **Independent Research Project**
Comfort as a Determinant of the Location of Critical Boundaries in the Act of Reaching
 Advisor: Leonard Mark, Ph.D.
 Recipient of Dean's Scholar Award, Miami University
- 2003 – 2004 **Research Assistant**
Perceiving the Actions of Other People

Principal Investigator: Leonard Mark, Ph.D., Miami University

Research Assistant

Hand Use Preferences in Delimiting the Boundaries of Normal Working Area

Principal Investigator: Hyeg Joo Choi, M.A., Miami University

TEACHING EXPERIENCE

Graduate

Spring 2012

Teaching Assistant, *Psychology of Personality*, University of Notre Dame

- Assisted with class facilitation, created exam content, graded student exams, led review sessions and held regular office hours
- Presented two guest lectures – *Trait Psychology and the Person-Situation Debate* and *Stability vs. Change in Personality*

Fall 2010

Teaching Assistant, *Psychology of Personality*, University of Notre Dame

- Assisted with class facilitation, created exam content, graded student exams, led review sessions and held regular office hours
- Presented two guest lectures – *Personality Disorders* and *Sigmund Freud and the Psychoanalytic Approach*
- Worked closely with students on an individual basis

Fall 2007

Teaching Assistant, *Clinical Psychology*, University of Iowa

- Responsible for four 30-student sections of the course, meeting twice weekly
- Presented course material, led student discussions, held review sessions and regular office hours, assisted with exam preparation, graded student assignments

Undergraduate

Spring 2004

Teaching Assistant, *Research Methods*, Miami University

INTERNSHIP, PRACTICUM AND SUPERVISED CLINICAL EXPERIENCE

Edward Hines Jr. VA Hospital, Hines IL, *Clinical Psychology Internship*

2013 – 2014

Trauma Services Program

Supervisor: Barbara Pamp, Ph.D.

Clinical Experience: psychoeducation groups on trauma, trauma reactions, and therapy options; assessment of clinical need and fit for clinic; trauma-focused psychotherapy including cognitive processing therapy (CPT) and prolonged exposure therapy (PE); consultation

Population: veterans who have experienced trauma and manifest trauma-related symptoms

Substance Abuse Residential Rehabilitation Program

Supervisor: Amber Singh, Ph.D.

Clinical Experience: evidence-based group and individual psychotherapy for veterans participating in 21-day residential treatment program for substance abuse; cognitive behavior therapy (CBT), motivational interviewing (MI), relapse prevention,

mindfulness; assessment; treatment planning; consultation and referral; participate in multidisciplinary team of psychologists, social workers, psychiatrist, recreation therapist, nurses; clinical research

Population: veterans diagnosed with substance abuse or dependence; complex comorbidity including anxiety/PTSD, major depression, self-harm, bipolar disorder, schizoaffective disorder, Axis II disorders, major medical issues; psychosocial factors including homelessness, unemployment, violence, relationship disruption

Mental Health Clinic (2014)

Clinical Experience: rotation will include individual, evidence-based psychotherapy for the treatment of a wide range of problems including anxiety disorders, mood disorders, adjustment disorders, anger, personality disorders, substance abuse, and habit control issues; participate in multidisciplinary team of psychologists, nurses, social workers, and psychiatrists

Health Promotion/Disease Prevention (2014)

Clinical Experience: rotation will include biopsychosocially oriented health behavior evaluations; empirically-based individual and group psychotherapy; time-limited interventions, including MI, health behavior coaching, CBT for insomnia or chronic pain, smoking cessation counseling, preparation for weight loss surgery; assist in provision of formal staff training programs; consultation

A Beautiful Mind, South Bend IN

8/2012 – 2013

Psychotherapy and Assessment Practicum

Supervisor: Linda Monroe, Ph.D.

Clinical Experience: intake; comprehensive psychological assessments (encompassing intellectual functioning, academic achievement, personality, psychopathology); specific evaluations targeted the assessment of ADD/ADHD, Autism and Autism spectrum disorders, emotional/behavioral problems, and neuropsychological functioning; individual psychotherapy (including treatment for depression, anxiety, oppositional-defiant disorder (ODD), family discord); CBT and third-wave CBT orientations

Population: school-age children, adolescents, and adults from the community

Alcohol & Addictions Resource Center, South Bend IN

2011 – 2012

Center for Addictions – Assessment, Referral, and Education

Supervisor: David Botkin, Ph.D.

Clinical Experience: addictions assessment (including administration of the Substance Abuse Subtle Screening Inventory (SASSI) and CAGE Assessment); co-led therapy/support group; intervention preparation

Population: adults from the community; family members of substance-abuse/dependent individuals

Michiana Employee Assistance Program

Supervisor: David Botkin, Ph.D.

Clinical Experience: intake; brief, long-term, individual, and couples therapy (including treatment for depression, anxiety, substance abuse, intimate relationship discord, parenting, anger management, self-harm, grief, work-related concerns,

sexual identity issues); referral; CBT and third-wave CBT orientations; MI
Population: adolescents, adults, couples, and families from the community;
 individuals referred by employer

Notre Dame Marital Therapy and Research Clinic, Notre Dame IN

2010 – 2013

Couples Therapy Practicum

Supervisor: David Smith, Ph.D.

Clinical experience: intake/assessment; couples therapy (treatment for issues related to communication, intimacy, infidelity, cultural differences, parenting a medically fragile child, psychopathology); individual therapy through specific referral for treatment of motor tics; learned and implemented Prevention and Relationship Education Program, Behavioral and Integrative Behavioral Couples Therapy, and habit reversal training

Population: individuals and adult couples from the community

Oaklawn Community Mental Health Center, South Bend IN

2010 – 2011

Child and Adolescent Outpatient Services

Supervisor: Victor Tan, Psy.D.

Clinical experience: comprehensive intake and assessment (including administration of the Child and Adolescent Needs and Strengths); individual, group, and family therapy (treatment for ODD, ADHD, depression, anxiety, sexual abuse, adjustment disorder, family discord, school-related concerns, parenting); participation as a multi-disciplinary team member (interfacing with case managers, physicians, teachers, psychiatrists); CBT and family-systems orientation

Population: children and adolescents (ages 5 – 17); parents

Seashore Psychology Clinic, Iowa City IA

2009 – 2010

Psychotherapy Practicum

Supervisors: James Marchman, Ph.D., Erika Lawrence, Ph.D., Michael O'Hara, Ph.D.

Clinical experience: intake/assessment; individual short-term and long-term psychotherapy (treatment for PTSD, depression, anxiety/social anxiety, intimate and social relationship discord, sexual dysfunction); interpersonal psychotherapy (IPT), CBT, acceptance and commitment therapy (ACT) orientations

Population: undergraduate students; adults from the community

2008 – 2010

Assessment Practicum

Supervisors: James Marchman, Ph.D., Lee Anna Clark, Ph.D., Kristian Markon, Ph.D., Erika Lawrence, Ph.D.

Clinical experience: comprehensive psychological assessments (encompassing intellectual functioning, academic achievement, personality, psychopathology); specific evaluations targeted the assessment of mental retardation, student disability (e.g., ADHD, learning disabilities, academic problems), parenting ability (e.g., custody, neglect) and neuropsychological functioning

Population: school-age children, adolescents, and adults

Center for Advanced Measurement of Personality and Psychopathology, Iowa City IA

2009 – 2010

Mood, Anxiety, and Personality Study

Director/Supervisor: David Watson, Ph.D., Kristin Naragon-Gainey, M.A.

Clinical Supervisor: Michael O'Hara, Ph.D.

Clinical experience: Administration of the SCID-I, Clinician Rating version of the Inventory of Depression and Anxiety Symptoms (a semi-structured interview assessing a range of mood and anxiety disorder symptoms), and the OCD portion of the Personality, Cognitions, Consciousness, and Perceptions Interview (a semi-structured interview assessing dimensions of OCD, dissociation, and schizotypy)

Population: psychiatric outpatients currently receiving mental health or substance abuse treatment

University of Iowa Maternal Depression Laboratory, Iowa City IA

2008 – 2010

An Outcome Evaluation of the Reflective Listening Intervention

(National Institute of Mental Health Grant K23-MH075964)

Director/Supervisor: Lisa Segre, Ph.D.

Clinical Supervisor: Michael O'Hara, Ph.D.

Clinical experience: Administration of the SCID-I and Hamilton Rating Scale for Depression; administration of questionnaires assessing depression, life satisfaction, and treatment acceptability; training of treatment providers in study procedures; supervision of students performing assessment activities; all interviews and interventions provided in-home; interface with treatment providers and social services agencies

Population: predominantly low-income, Spanish-speaking Hispanic mothers in the postpartum period, residing in areas deemed high risk for infant mortality

OTHER CLINICAL EXPERIENCE

Notre Dame Marital Therapy and Research Clinic, Notre Dame IN

2011 – 2013

Clinic Coordinator

Responsibilities: primary communication with potential clients; screening for appropriateness and eligibility for clinic; referral

Seashore Psychology Clinic, Iowa City IA

2010

Supervision of First-Year Practicum Students

Responsibilities: provided individual supervision to first-year clinical psychology doctoral students providing psychotherapy using an IPT orientation

DIDACTIC CLINICAL TRAINING

Workshops and Training Sessions

- 2013 ***Prolonged Exposure Therapy for PTSD***
Hines IL
Kurt Noblett, Ph.D.
- Cognitive Processing Therapy for PTSD***
Hines IL
Richard Monroe, Ph.D.
- 2012 ***Substance Using Teens: Problems, Approaches, Solutions***
South Bend IN
Paul Fitzgerald, Psy.D
- Substance Abuse Subtle Screening Inventory (SASSI) Training: Administration and Scoring***
Chicago IL
Janice Reisch, LCSW, State Trainer
- Substance Abuse Subtle Screening Inventory (SASSI) Training: Clinical Interpretation***
Chicago IL
Janice Reisch, LCSW, State Trainer
- 2011 ***Stages of Change: Meeting Client Readiness and Self-Management Needs***
South Bend IN
Carlo C. DiClemente, Ph.D.
- 2010 ***Using Acceptance, Mindfulness, & Committed Action with Your Most Difficult Cases***
Iowa Psychological Association Conference, Iowa City IA
Kelly G. Wilson, Ph.D.
- Evidence-Supported Therapies*** (Adult Track)
(*Integrative Behavioral Couple Therapy, CBT for Bulimia, Ethical Dilemmas in Rural Practice*)
Iowa Psychological Association Conference, Iowa City IA
- 2008 ***Interpersonal Psychotherapy Training Conference – Level A Training***
Interpersonal Psychotherapy Institute, University of Iowa, Iowa City IA
Scott Stuart, M.D.; Joy E. Moel, Ph.D.

Certifications

- Pending Licensure* Cognitive Processing Therapy for PTSD
- 2012 Substance Abuse Subtle Screening Inventory (SASSI)
- 2010 Child and Adolescent Needs and Strengths (CANS)
- 2008 Level A Training in Interpersonal Psychotherapy

FUNDING

Graduate

2013	Earnest Swarm Graduate Student Research Award, \$244 (University of Notre Dame) University of Notre Dame Conference Presentation Grant, \$100
2012	APA Basic Psychological Science Research Grant, <i>Honorable Mention</i> Earnest Swarm Graduate Student Research Award, \$1500 (University of Notre Dame) University of Notre Dame Graduate Student Research Award, \$2500 University of Notre Dame Conference Presentation Grant, \$500
2011	Notebaert Professional Development Travel Award, \$800 (University of Notre Dame)
2009 – 2010	Executive Council of Graduate and Professional Students Research Grant, \$834 (University of Iowa)
2003	College of Arts and Science Dean's Scholar Award for undergraduate research project, \$1500 (Miami University) Returning Student Scholarship award, \$1000 (Miami University)

SERVICE AND LEADERSHIP POSITIONS
