Higher Education

1997-2002	PhD, Psychometrics, VU University Amsterdam, The Netherlands
1993-1997	Undergraduate Education & MA (cum laude), University of Amsterdam, The Netherlands

Positions

2016-present	Professor of Psychology, Department of Psychology, University of Notre Dame
2008-2016	Associate Professor, Department of Psychology, University of Notre Dame
2010-2016	Visiting Professor, Biological Psychology, VU University Amsterdam
2004-2008	John Cardinal O'Hara, C.S.C. Assistant Professor, Department of Psychology, University of Notre Dame
2003-2004	Assistant Professor, Department of Psychiatry, VIPBG, Virginia Commonwealth University
2001-2003	Research Associate, Graduate School of Education & Information Studies, UCLA, Supervisor: Bengt Muthén

Honors and Awards

2009	Tanaka Award, most outstanding paper published in <i>Multivariate Behavioral Research</i> in 2008
2007	Cattell Award, Outstanding Early Career Contributions to Multivariate Psychology, Society of Multivariate Experimental Psychology

Funding

Ongoing research

- 2014-2019 FP7-602768, Boomsma (PI), Role: Co-Investigator
EU consortium ACTION: Aggression in Children: Unraveling gene-environment interplay to inform Treatment and InterventiON strategies
- 2004-2020 DA-018673, Neale (PI), Role: Co-Investigator
Psychometric and Genetic Assessments of Substance Abuse
 The goals of this former Merit Award are to develop different methods including but not limited to latent variable mixture models to investigate substance abuse and to apply the methods to existing large data sets. The 10-year grant was renewed for another 5 years.
- 2016-2018 NSF 1560089, Brenner, Lubke (PIs)
 REU Computational Social Sciences at the University of Notre Dame

Completed Research:

- 2004-2016 R01 AG023571, Bergeman (PI), Role: Co-Investigator
Notre Dame Study of Resiliency in Later Life
 The goal is to provide an integrated model of resilience and well-being in Later Life that will help inform intervention efforts to extend disability-free years to larger segments of the population.
- 2012-2015 BCS-1229450, Nabrzyski, Lubke, Mark, Chawla, Hachen (PIs)
MRI: Acquisition of a Data Analytics Cluster for Computational Social Science.
 The goal is to expand high memory clusters and storage for computationally intensive research in the Social Sciences.
- 2010-2015 R01MH083830, Clark (PI), Role: Co-Investigator
Validity & Clinical Utility of 2-Part System for Personality Disorder Diagnosis
 The goal of this research is to provide clinicians and researchers of Personality Disorder with a revised diagnostic system that is reliable, valid, and clinically useful.
- 2007-2010 R01 AG023571, Bergeman (PI), Role: Co-Investigator
Supplement to Notre Dame Study of Resiliency in Later Life
 The goal was to carry out and assist in analyses that involve fitting mixture models to the longitudinal data collected in the study
- 2009-2011 ISK/6827/VPP, G.H. Lubke (PI)
 Royal Netherlands Academy of Arts and Science, Visiting Professors Programme. The goal was to collaborate with researchers at the Department of Biological Psychology, VU University Amsterdam, on projects involving complex phenotypes and genome-wide association studies.

- 2011-2013 Research contract with VU University Amsterdam
The goal was to continue the collaboration with researchers at the Department of Biological Psychology, VU University Amsterdam
- 2006-2008 R21 AG027360, G.H. Lubke (PI)
Novel Methods to Assess Complex Developmental Changes
The goals of my project were (1) to develop and evaluate growth mixture models that combine several growth processes in order to investigate the relation between different developmental processes over time, and (2) to apply these models to empirical data.

Professional Memberships

- SMEP Society of Multivariate Experimental Psychology
BGA Behavior Genetics Association
ASA American Statistical Association

Service

Professional

- 2011-present Associate Editor Behavior Genetics
2012-2018 Consulting Editor Abnormal Psychology
2014-present Consulting Editor Archives of Scientific Psychology
2010-present Member of the Editorial Board of Psychological Methods
2010-present Member of the Editorial Board of Structural Equation Modeling
2009-present Ad-hoc reviewer of the National Science Foundation (NFS, USA)
2009-present Ad-hoc reviewer of The Royal Netherlands Academy of Arts and Sciences
2008-2011 Associate Editor Multivariate Behavioral Research

University

- 2011-2017 Program Director Psychology Program/ Quantitative Area
2011-2017 Graduate Studies Committee, Department of Psychology
2016-2017 Data Science Minor development committee
2016 Chair Quantitative Search Committee
2008-2011 Publicity and Website Committee
2008-2010 Executive Committee, Center for Applied Mathematics
2007-2008 Space, Parking and Security Committee, Department of Psychology
2006-2007 Chair of the ad-hoc Quantitative Search Committee
2006-2007 Strategic Planning Committee, Department of Psychology
2004-2010 Computer/Tech Support Committee, Department of Psychology

PhD and Masters Committees

- 2009-present Director of PhD committees (S. Tueller, R. Walters, C. Laurin, P. Miller, D. McArtor, J. Lunningham)
- 2006-present Director of Masters Thesis (D. Cisler, R. Walters, C. Laurin, D. McArtor, P. Miller, I. Campbell, J. Lunningham)
- 2006-present Member of PhD committees (Z. Ke, X. Zhong, Z. Lu, P. Deboek, W. Zhang, C. Weaver, J. Rausch, L. Smith, E. Covey, M. Cain)
- 2006-2014 Member of Masters committees (P. Deboek, X. Zhong, M. Yang)
