

## CURRICULUM VITAE

### David Watson

Andrew J. McKenna Family Professor  
Department of Psychology  
The University of Notre Dame  
Notre Dame, IN 46556  
(574) 631-1403 (Office Phone)

#### Education

- |       |      |   |
|-------|------|---|
| Ph.D. | 1982 | University of Minnesota, Minneapolis, MN<br>Specialization: Personality Research<br>Supporting Program: Psychological<br>Measurement & Assessment |
| B.S.  | 1975 | Santa Clara University, Santa Clara, CA<br>Major: Psychology (graduated <i>summa cum laude</i> )  |

#### Professional Experience

- |              |  |
|--------------|--|
| 2010-present | Andrew J. McKenna Family Professor of Psychology<br>The University of Notre Dame |
| 2010-present | Professor Emeritus<br>The University of Iowa                                     |
| 2004-2010    | F. Wendell Miller Professor of Psychology<br>The University of Iowa              |
| 1993-2010    | Professor of Psychology<br>The University of Iowa                                |
| 1989-1993    | Associate Professor of Psychology<br>Southern Methodist University               |
| 1986-1989    | Assistant Professor of Psychology<br>Southern Methodist University               |
| 1985-1986    | Visiting Assistant Professor of Psychology<br>Southern Methodist University      |

- 1984-1985                      Research Coordinator, NIH Grant HL32547,  
*Perception of Physical Symptoms and Blood  
Pressure*, Department of Psychology, SMU  
(James W. Pennebaker, Principal Investigator)
- 1982-1984                      NIMH Postdoctoral Training Fellowship  
Department of Psychiatry  
Washington University School of Medicine

**Professional Affiliations**

- American Psychological Association  
    APA, Division 5, Evaluation and Measurement (Fellow)  
    APA, Division 8, Personality and Social Psychology (Fellow)
- Association for Psychological Science (Fellow)
- Association for Research in Personality
- Society for Personality and Social Psychology
- Society for Research in Psychopathology

**Awards**

- 2015                      Jack Block Award for Distinguished Research in Personality
- 2009                      Diener Award (Outstanding Mid-Career Contribution to Personality)
- 1982-1984                  NIMH Postdoctoral Training Fellowship
- 1975-1978                  Bush Foundation Fellowship
- 1974                      Santa Clara University Religious Studies Prize
- 1971                      National Merit Scholarship Finalist

## Grants

Mexico Research Collaboration Grant, University of Notre Dame, “Biopsychosocial predictors of depression and anxiety” (01/01/2019-12/31/2019). Principal Investigator. Direct costs: \$10,000.

National Institute of Mental Health, “Personality Development and Vulnerability to First-Episode Depression” (02/17/2012 - 01/30/2017). Consultant. Total costs: \$2,777,520.

National Institute of Mental Health, “Optimizing fidelity of interpersonal psychotherapy for depression” (08/01/2012-07/31/2014). Consultant. Total costs: \$192,877.

National Institute of Mental Health, “Validity and clinical utility of a two-part system for personality disorder diagnosis” (08/09/2010-05/31/2015). Co-Investigator. Total Costs = \$3,185,850.

National Institute of Mental Health, “Development of a computerized adaptive test of personality disorder (CAT-PD)” (08/27/2008-05/31/2013). Co-Investigator. Total Costs = \$2,509,991.

National Institute of Mental Health, “The structure and assessment of symptoms of depression” (7/01/2003-4/30/2008). Principal Investigator. Total Costs = \$1,493,440.

Centers for Disease Control, “Postpartum depression indicators for the PRAMS” (10/1/2003-9/30-2005). Co-Investigator. Total Costs = \$274,695.

National Institute of Mental Health, “Exploring the interpersonal component of affectivity” (9/01/2000-8/31/2003). Co-Investigator. Total Costs = \$150,000.

SMU Research Council Grant, June, 1988-May, 1989, “An examination of specific negative affect factors”. Direct Costs: \$4,000.

University of Minnesota Foundation Research Grant, 1980. Direct Costs: \$1,000.

## Publications

### Journal Articles

- Clark, L. A., & Watson, D. (in press). Constructing validity: New developments in creating objective measuring instruments. *Psychological Assessment*.

## Presentations

### Symposia, Conference Papers and Invited Talks

- Watson, D. (2018, August). Substance use disorders in the Hierarchical Taxonomy of Psychopathology. In M. D. Glantz & K. J. Sher (Co-Chairs), *Advances in substance use disorder research: Competing perspectives on psychopathology and addiction*. Symposium presented at the 126th Annual Convention of the American Psychological Association, San Francisco, CA.
- Watson, D. (2018, September). *Basic dimensions of temperament as transdiagnostic factors for psychopathology*. Invited keynote address at the 2018 Conference on Transdiagnostic Approaches to Mental Health Challenges, University of Cambridge, Cambridge, UK. [Talk canceled due to family emergency]
- Ellickson-Larew, S. Stasik-O'Brien, S., Stanton, K., & Watson, D. (2017, April). Experiential avoidance as a transdiagnostic risk and maintenance factor for psychopathology: The role of neuroticism. In S. M. Stasik-O'Brien & K. Naragon-Gainey (Co-Chairs), *Transdiagnostic risk factors for the emotional disorders: Examination of their unique informational value for understanding and classifying psychopathology*. Symposium presented at the 37th Annual Conference of the Anxiety and Depression Association of America, San Francisco, CA.
- Naragon-Gainey, K., & Watson, D. (2017, April). What lies beyond neuroticism? An examination of the unique contributions of social-cognitive vulnerabilities to internalizing disorders. In S. M. Stasik-O'Brien & K. Naragon-Gainey (Co-Chairs), *Transdiagnostic risk factors for the emotional disorders: Examination of their unique informational value for understanding and classifying psychopathology*. Symposium presented at the 37th Annual Conference of the Anxiety and Depression Association of America, San Francisco, CA.
- Watson, D. (2017, April). Clinical and personality traits in emotional disorders: Shared and unique effects. In S. M. Stasik-O'Brien & K. Naragon-Gainey (Co-Chairs), *Transdiagnostic risk factors for the emotional disorders: Examination of their unique informational value for understanding and classifying psychopathology*. Symposium presented at the 37th Annual Conference of the Anxiety and Depression Association of America, San Francisco, CA.
- Watson, D. (2017, October). *Moving toward a non-DSM based quantitative structure*. Talk presented at the Second Meeting of the Hierarchical Taxonomy of Psychopathology (HiTOP) Consortium, Baltimore, MD.
- Watson, D. (2017, November). *Common and specific predictors of depression and anxiety*. In G. K. Khazanov (Chair), *Common and specific predictors of depression and anxiety across diverse settings*. Symposium presented at the 51st Annual Convention of the Association for Behavioral and Cognitive Therapies, San Diego, CA.

- Watson, D., & Tackett, J. L. (2017, June). Personality as a comprehensive organizing framework for psychopathology. In M. K. Forbes (Chair), *Using the empirical structure of personality to strengthen our understanding of psychopathology: The Hierarchical Taxonomy of Psychopathology (HiTOP) Consortium*. Symposium presented at the 5th Biennial Meeting of the Association for Research in Personality, Sacramento, CA.
- Krizan, Z., & Watson, D. (2016, January). Co-chairs. *The other third of our lives: A self-regulatory perspective on sleep and social behavior*. Symposium presented at the 17th Annual Convention of the Society for Personality and Social Psychology, San Diego, CA.
- Krueger, R., Forbes, M., Kotov, R., Ruggero, C., Watson, D., & Zimmerman, M. (2016, October). Hierarchy as construct in HiTOP. In R. Kotov (Chair), *The Hierarchical Taxonomy of Psychopathology (HiTOP): Dimensional alternative to traditional classification systems*. Symposium presented at the 30th Annual Meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Watson, D. (2016, January). *Consensual facets of personality and their associations with psychopathology*. Jack Block Award address presented at the 17th Annual Convention of the Society for Personality and Social Psychology, San Diego, CA.
- Watson, D. (2016, March). Current models of personality and psychopathology: Bridging the gap between research and clinical practice. In A. H. Crighton (Chair), *Current models of personality and psychopathology: Bridging the gap between research and clinical applications*. Symposium presented at the Annual Convention of the Society for Personality Assessment, Chicago, IL.
- Watson, D. (2016, May). *Somatic symptom and related disorders*. Talk presented at the Inaugural Meeting of the Hierarchical Taxonomy of Psychopathology (HiTOP) Consortium, Chicago, IL.
- Watson, D., Tackett, J., & Lahey, B. (2016, October). Challenges associated with creating comprehensive measures of psychopathology. In R. Kotov (Chair), *The Hierarchical Taxonomy of Psychopathology (HiTOP): Dimensional alternative to traditional classification systems*. Symposium presented at the 30th Annual Meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Stanton, K., & Watson, D. (2015, May). *Positive affectivity: Specificity of its facet level relations with psychopathology*. Paper presented at the 87th Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Watson, D. (2015, May). *Positive emotional dysfunction in psychopathology*. Grand Rounds presented at the Department of Psychiatry, Stony Brook School of Medicine, Stony Brook, NY.
- Watson, D. (2015, October). *Personality in emerging adulthood*. Invited talk presented at the Department of Psychology, Santa Clara University, Santa Clara, CA.

- Watson, D., Stasik, S. M., Ellickson-Larew, S., & Stanton, K. (2015, June). Explicating the nature of anomalous sleep experiences. In Z. Krizan (Chair), *The neglected third of our lives: The role of sleep in personality processes*. Symposium presented at the 4th Biennial Meeting of the Association for Research in Personality, St. Louis, MO.
- Watson, D. (2015, October). The power of personality in emerging adulthood: Predicting depression and anxiety symptoms 6-13 years later. In R. Kotov (Chair), *Personality-psychopathology models across the lifespan*. Symposium presented at the 29th Annual Meeting of the Society for Research in Psychopathology, New Orleans, LA.
- Simms, L. J., Goldberg, L. R., & Watson, D. (2014, July). The CAT-PD Project: Introducing an integrative model and efficient measure of personality disorder traits. In T. Widiger & F. de Fruyt (Chairs), *Measures to assess maladaptive variants of the FFM/DSM-5*. Symposium presented at the 17th European Conference on Personality, Lausanne, Switzerland.
- Watson, D. (2014, March). The affective and temperamental basis of the emotional disorders. In N. C. Jacobson & M.G. Newman (Chairs), *Anxiety and depression: Specificity, overlap, and interrelatedness*. Symposium presented at the 34th Annual Conference of the Anxiety and Depression Association of America, Chicago, IL.
- Watson, D. (2014, October). *An integrated model of personality, emotion and psychopathology*. Talk presented as part of the W. K. Warren Lecture Series, Laureate Institute of Brain Research, Tulsa, OK.
- Simms, L. J., Goldberg, L. R., Watson, D., Roberts, J., & Welte, J. (2013, September). The CAT-PD Project: Introducing an integrative model and efficient measure of personality disorder traits. In A. Wright (Chair), *Major contemporary issues in personality pathology: Structure, dynamics, and diagnosis*. Symposium presented at the 27th Annual Meeting of the Society for Research in Psychopathology, Oakland, CA.
- Watson, D. (2013, November). Explicating the comorbidity between depression and the anxiety disorders: A symptom-based hierarchical perspective. In A. M. Ruscio (Chair), *Comorbidity of anxiety and depression: Moving beyond description to explain why and how comorbidity occurs*. Symposium presented at the 47th Annual Convention of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
- Krizan, Z., Miller, J. C., & Watson, D. (2012, July). *The perils of night life: Chronotype, personality, and academic success*. Talk presented at the 16th European Conference on Personality, Trieste, Italy.
- Ro, E., Watson, D., & Clark, L. A. (2012, October). *Associations among comprehensive domains of psychosocial functioning and psychopathology symptom spectrum*. Paper presented at the 26th Annual Meeting of the Society for Research in Psychopathology, Ann Arbor, MI.

- Simms, L. J., Goldberg, L. R., Watson, D., Roberts, J., & Welte, J. (2012, March). *Structural results from the CAT-PD project: Toward a comprehensive model and measure of personality disorder traits*. Paper presented at the Annual Meeting of the Society for Personality Assessment, Chicago, IL.
- Watson, D. (2012, March). *Examining the comorbidity between depression and the anxiety disorders from the perspective of the quadripartite model*. Invited talk presented as part of the Clinical Psychology brownbag series, Department of Psychology, University of Illinois at Chicago.
- Watson, D. (2012, November). Positive mood dysfunction in psychopathology: A hierarchical perspective. In J. Gruber (Chair), *Positive emotion and reward dysregulation across disorders*. Symposium presented at the 46th Annual Convention of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- Watson, D. (2012, November). Toward an integrated model of normal and pathological personality. In T. Lynch (Chair), *Personality disorders: DSM-5 and beyond*. Symposium presented at the 46th Annual Convention of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
- Watson, D., & Clark, L. A. (2012, May). *The temperamental basis of ethical behavior*. Talk presented at the Business Ethics Conference on Cognitions versus Emotions in Ethical Behavior, Toronto, Canada.
- Krueger, R. F., Derringer, J., Markon, K., & Watson, D. (2011, June). Personality in DSM-5: Current status. In R. Latzman (Chair), *Disinhibitory personality: Exploring associations with externalizing psychopathology and other real world outcomes*. Symposium presented at the 2nd Biennial Conference of the Association for Research in Personality, Riverside, CA.
- Simms, L. J., Goldberg, L., Watson, D., Roberts, J., & Welte, J. (2011, June). Structural results from the CAT-PD Project: Toward a comprehensive model and measure of personality disorder traits. In L. J. Simms (Chair), *Personality trait models in the description and understanding of personality disorder*. Symposium presented at the 2nd Biennial Conference of the Association for Research in Personality, Riverside, CA.
- Watson, D. (2011, January). The dual nature of anger: A hierarchical perspective. In E. Pettersson & E. Turkheimer (Chairs), *Approach, avoidance, and anger*. Symposium presented at the 12th Annual Meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Watson, D. (2011, November). *New directions in trait affectivity*. Invited talk presented as part of the Social Psychology brownbag series, Department of Psychological Sciences, Purdue University.

- Krueger, R. F., Derringer, J., Markon, K. E., Watson D., & Skodol, A. (2010, March). *Development of a self-report inventory for DSM-V facets and domains: Some preliminary results*. Paper presented at the Annual Meeting of the Society for Personality Assessment, San Jose, CA.
- McDade-Montez, E., & Watson, D. (2008, March). *Identification of depression and anxiety symptoms in adults with diabetes*. Paper presented at the 29th Annual Meeting of the Society of Behavioral Medicine, San Diego, CA.
- Watson, D. (2008, May). Chair. *The classification of psychopathology in DSM-V*. Symposium presented at the 20th Annual Convention of the Association for Psychological Science, Chicago, IL.
- Watson, D. (2008, June). *Differentiating depression and anxiety: A quadripartite model*. Invited talk presented at Northwestern University, Evanston, IL.
- Watson, D. (2008, July). *An integrative model of personality and psychopathology*. Keynote address presented at the 14th European Conference on Personality, Tartu, Estonia.
- Watson, D. (2008, July). Rethinking personality development in young adulthood. In D. Watson (Chair), *Personality across the life span*. Symposium presented at the 14th European Conference on Personality, Tartu, Estonia.
- Watson, D. (2008, September). *Differentiating depression and the anxiety disorders: A quadripartite model*. Invited talk presented at the University of Notre Dame, South Bend, IN.
- Beglinger, L. J., Paulsen, J. S., Duff, K., Wang, C., Langbehn, D. R., Watson, D., Stout, J. C., Carlozzi, N. E., & Queller, S. (2007, September). *Obsessive and compulsive symptoms in pre-diagnosed Huntington's Disease*. Paper presented at the 3rd World Congress on Huntington's Disease, Dresden, Germany.
- Koffel, E. & Watson, D. (2007, June). *Sleep disturbances and depression in younger and older adults*. Paper presented at the annual meeting of the Associated Professional Sleep Societies, Minneapolis, MN.
- Simms, L. J., Watson, D., & Doebbeling, B. N. (November, 2007). *Internalizing and Externalizing Subtypes of PTSD: Do They Replicate Across Analytic Methods and Personality Measures?* Paper presented at the annual meeting of the International Society for Traumatic Stress Studies, Baltimore, MD.
- Trull, T. J., Solhan, M. B., Tragesser, S. L., Jahng, S., Wood, P. K., Piasecki, T. M., & Watson, D. (2007, October). Affective instability: Measuring a core feature of borderline personality disorder using ecological momentary assessment. In T. R. Kwapil (Chair), *The assessment of psychopathology in daily life*. Symposium presented at the 22nd Annual Meeting of the Society for Research in Psychopathology, Iowa City, IA.

- Watson, D. (2007, March). Classifying GAD with the mood disorders. In S. Rauch & M. Stein (Chairs), *The relationship between generalized anxiety disorder and major depression*. Debate presented at the 10th Annual Scientific Research Symposium, Anxiety Disorders Association of America, St. Louis, MO.
- Watson, D. (2007, October). Discussant. In T. R. Kwapil (Chair), *The assessment of psychopathology in daily life*. Symposium presented at the 22nd Annual Meeting of the Society for Research in Psychopathology, Iowa City, IA.
- Watson, D. & Clark, L. A. (2007, November). Toward an integrated model of normal and abnormal personality: Implications for DSM-V. In R. Kotov (Chair), *The empirical diagnostic system: Anticipating DSM-V*. Symposium presented at the 41st Annual Convention of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
- Watson, D. (2006, April). *Toward a comprehensive dimensional model of psychopathology: The search for Factor 6*. Invited talk presented at the University of Missouri, Columbia, MO.
- Watson, D. (2006, September). General distress and the structure of depression and anxiety symptoms. In P. A. Pilkonis (Chair), *Mental health measurement*. Symposium presented at the Inaugural NIH PROMIS Conference, Gaithersburg, MD.
- Watson, D. (2006, October). Toward an integrative model of normal and abnormal personality. In K. E. Walton (Chair), *Integrating personality and psychopathology research*. Symposium presented at the 20th Annual Meeting of the Society for Research in Psychopathology, San Diego, CA.
- Watson, D. (2006, November). Discussant. In R. Kotov (Chair), *Personality and psychopathology: Application of personality research to description, prediction, and treatment of mental disorders*. Symposium presented at the 40th Annual Convention of the Association for Behavioral and Cognitive Therapies, Chicago, IL.
- Watson, D., & Clark, L. A. (2006, August). Understanding acquiescence: A construct validation approach. In D. L. Paulhus (Chair), *Advances in measurement and control of questionnaire response biases*. Symposium presented at the 114th Annual Convention of the American Psychological Association, New Orleans, LA.
- Heller, D., & Watson, D. (2005, January). Using contextualized personality scores to resolve basic issues in personality research. In D. Wood (Chair), *Contextualized identities: How ratings of self-in-context can help us understand general issues*. Symposium presented at the 6th Annual Meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Watson, D. (2005, October). A quantitative hierarchical model for *DSM-V*. In R. F. Krueger (Chair), *Toward a dimensionally-based taxonomy of psychopathology*. Symposium presented at the 20th Annual Meeting of the Society for Research in Psychopathology, Coral Gables, FL.

- Watson, D. (2005, February). *Sleep, dreams, and creativity*. Talk presented at the Carver College of Medicine, University of Iowa.
- Simms, L. J., Casillas, A., Clark, L. A., & Watson, D. (2004, March). *Psychometric evaluation of the Restructured Clinical Scales of the MMPI-2*. Paper presented at the Annual Meeting of the Society for Personality Assessment, Miami, FL.
- Slade, T., & Watson, D. (2004, December). *The latent structure of the common DSM-IV mental disorders*. Paper presented at the Annual Meeting of the Australasian Society for Psychiatric Research, Perth, Australia.
- Watson, D. (2004, January). *Affect, personality, and psychopathology*. Paper presented at the 5th Annual Meeting of the Association for Research in Personality, Austin, TX.
- Watson, D. (2004, March). *Rethinking the mood and anxiety disorders: A dimensional perspective*. Invited talk presented as part of the Psychometric Series to the Adult Psychopathology Branch of the National Institute of Mental Health, Bethesda, MD.
- Watson, D. (2004, April). *Match makers and deal breakers: The search for the ideal romantic partner*. Invited talk presented as part of the Social-Personality-Organizational Brownbag Series, Department of Psychology, University of Illinois, Champaign, IL.
- Watson, D. (2004, April). *Match makers and deal breakers: Spousal similarity and the search for the ideal romantic partner*. Keynote address for the Psychology Day program, Department of Psychology, Vanderbilt University, Nashville, TN.
- Watson, D. (2004, May). *Happiness: Theoretical considerations and empirical evidence*. Invited talk presented at the Warsaw School of Social Psychology, Warsaw, Poland.
- Watson, D. (2004, May). *Rethinking the mood and anxiety disorders: An affect-based perspective*. Invited talk presented at the Institute of Psychology of the Polish Academy of Sciences, Warsaw, Poland.
- Watson, D. (2003, February). Basic problems in mood regulation. In J. G. La Guardia (Chair), *What is healthy emotional regulation? Challenges in defining and measuring positive emotional functioning*. Symposium presented at the 4th Annual Meeting of the Society for Personality and Social Psychology, Los Angeles, CA.
- Watson, D. (2003, August). Natural rhythms in well-being. In T. M. Anderson (Chair), *Is happiness enough? Defining and measuring well-being*. Symposium presented at the 111th Annual Convention of the American Psychological Association, Toronto, Canada.
- Watson, D. (2002, February). *Explorations in trait affectivity*. Paper presented at the 3rd Annual Meeting of the Association for Research in Personality, Savannah, GA.

- Watson, D. (2002, March). *Personality, temperament, and anxiety*. Paper presented at the 9th International Symposium about Current Issues and Controversies in Psychiatry: Anxiety Neurosis (Panic and Generalized Anxiety) in the 21st Century, Barcelona, Spain.
- Watson, D. (2002, June). Discussant. In R. F. Krueger (Chair), *Personality matters: Perspectives from community based research*. Symposium presented at the 14th Annual Convention of the American Psychological Society, New Orleans, LA.
- Watson, D. (2002, September). *Exploring personality in relationships*. Invited talk presented at the Department of Psychology, University of Minnesota, Minneapolis, MN.
- Watson, D. (2002, December). *The long-term stability of affect and personality*. Invited talk presented at the Department of Psychology, Tulane University, New Orleans, LA.
- Watson, D. (2001, August). General and specific dimensions underlying the anxiety disorders. In R. F. Krueger (Chair), *Psychopathology: Toward a psychometrically informed classification system*. Symposium presented at the 109th Annual Convention of the American Psychological Association, San Francisco, CA.
- Watson, D. (2001, August). *Personality, emotion, and psychopathology*. Paper presented as part of the 5th annual Spielberger Symposium on Emotion, Motivation, and Personality (EMPathy) at the 109th Annual Convention of the American Psychological Association, San Francisco, CA.
- Watson, D. (2001, October). *Spectrum models of the mood and anxiety disorders*. Paper presented at the Meeting of the Association for Clinical Psychosocial Research, Portland, ME.
- Watson, D. (2001, November). *Quantifying the general distress component in the anxiety disorders*. Paper presented at the 16th Annual Meeting of the Society for Research in Psychopathology, Madison, WI.
- Watson, D. (2000, February). Affectivity in dyads. In E. Klohnen (Chair), *Emotions and relationships*. Symposium presented at the 1st Annual Meeting of the Society for Personality and Social Psychology, Nashville, TN.
- Watson, D. (2000, February). Explorations of personality in close relationships: Analyses of similarity, agreement, projection, and satisfaction. In D. S. Berry (Chair), *Personality and individual differences in close relationships*. Symposium presented at the SPSP Preconference on Close Relationships, Nashville, TN.
- Watson, D. (2000, October). *A hierarchical model of the mood and anxiety disorders*. Colloquium presented to the Department of Psychology, University of Iowa, Iowa City, IA.

- Watson, D., & Clark, L. A. (2000, August). A hierarchical model of the mood and anxiety disorders. In R. L. Shiner & A. S. Masten (Chairs), *The emotional core of personality—A tribute to Auke Tellegen*. Symposium presented at the 108th Annual Convention of the American Psychological Association, Washington, DC.
- Watson, D. (1999, July). *Basic properties of mood and emotion and their implications for the anxiety and mood disorders*. Invited talk presented at the National Institute of Mental Health, Bethesda, MD.
- Watson, D. (1999, September). *Basic dimensions of temperament and their relation to the mood and anxiety disorders*. Invited talk presented at the National Institute of Mental Health, Bethesda, MD.
- Watson, D. (1999, September). *Explorations in trait affectivity*. Colloquium presented at the Department of Management and Organizations, Tippie College of Business, University of Iowa, Iowa City, IA.
- Watson, D. (1999, December). *Basic problems in mood regulation*. Invited talk presented at the Department of Psychology, Southern Methodist University, Dallas, TX.
- Watson, D. (1998, February). *A hierarchical model of depression and anxiety*. Grand Rounds presented at the Department of Psychiatry, Indiana University Medical School, Indianapolis, IN.
- Watson, D. (1998, May). Discussant. In S. Catanzaro (Chair), *The tripartite model of anxiety and depression: Current research and future prospects*. Symposium presented at the 70th Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Watson, D. (1997, February). *Beyond the pleasure principle: Individual differences in risk and recklessness*. Invited talk presented at the Department of Psychology, University of Alabama at Birmingham, Birmingham, AL.
- Watson, D. (1997, November). *In search of the acquaintanceship effect*. Invited talk presented at the Department of Psychology, Southern Methodist University, Dallas, TX.
- Martin, R., & Watson, D. (1996, June). Style of anger expression and its relation to health outcomes. In O. P. John (Chair), *Emotional expressivity: Personality, psychopathology, and health*. Symposium presented at the 8th Annual Convention of the American Psychological Society, San Francisco, CA.
- Watson, D. (1996, May). *The sunny side of life*. Invited talk presented at the Department of Psychology, University of Wisconsin, Madison, WI.

- Watson. (1996, October). Discussant. In G. E. Bruder & R. J. Davidson (Chairs), *Electrophysiological studies of depression and anxiety: New findings and theoretical synthesis*. Symposium presented at the 36th Annual Meeting of the Society for Psychophysiological Research, Vancouver, BC, Canada.
- Harrison, J. A., & Watson, D. (1995, May). *Dissociative processes in normal-range functioning*. Paper presented at the 67th Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Martin, R., & Watson, D. (1995, May). *Style of anger expression and its relationship to daily experience*. Paper presented at the 67th Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Watson, D. (1995, April). *The sunny side of life*. Invited paper presented as the Saul B. Sells Lecture at the Annual Meeting of the Southwestern Psychological Association, San Antonio, TX.
- Watson, D. (1995, June). Personality unbound. In J. T. Cacioppo (Chair), *New concepts, paradigms, and technologies for investigating mental, social and personality processes*. Symposium presented at the Annual Preconference of the Society for Personality and Social Psychology, New York, NY.
- Watson, D. (1995, June). *The positive system*. Invited talk presented at the Pacific Institute, Seattle, WA.
- Tellegen, A., Watson, D., & Clark, L. A. (1994, August). Conceptual errors mask the basic two-dimensionality of affect ratings. In L. A. Feldman (Chair), *Mood: Consensus and controversy*. Symposium presented at the 102nd Annual Convention of the American Psychological Association, Los Angeles, CA.
- Watson, D. (1994, January). *Basic traits of personality and their relation to affect and psychopathology*. Invited talk presented at the Center for Family Research in Rural Mental Health, Iowa State University, Ames, IA.
- Watson, D. (1994, February). *Anxiety, depression, and the problem of comorbidity*. Grand Rounds presented at the Department of Psychiatry, University of Arkansas Medical School, Little Rock, AR.
- Watson, D. (1994, April). *Sunshine and well-being: Findings in search of a theory*. Invited talk presented at the Department of Psychology, University of Illinois, Champaign, IL.
- Watson, D. (1994, April). *Variable and invariant aspects of affect structure*. Invited talk presented as part of the Personality and Social Ecology Brownbag Series, Department of Psychology, University of Illinois, Champaign, IL.

- Watson, D. (1994, May). *Affective experience in everyday life*. Invited Paper presented at the 66th Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Watson, D. (1994, August). Basic principles of affective structure. In L. A. Feldman (Chair), *Mood: Consensus and controversy*. Symposium presented at the 102nd Annual Convention of the American Psychological Association, Los Angeles, CA.
- Watson, D. (1994, October). *The sunny side of life*. Invited talk presented at the Department of Psychology, Washington University, St. Louis, MO.
- Watson, D., & Clark, L. A. (1994, November). Clarifying the relation between depression and anxiety: A tripartite model. In J. H. Riskind (Chair), *Differentiating the cognitive-affective structure of anxiety and depression: Theoretical and clinical implications of current research*. Symposium presented at the 28th Annual Convention of the Association for the Advancement of Behavior Therapy, San Diego, CA.
- Clark, L. A., & Watson, D. (Chairs). (1993, August). *Finding order in disorder: Integrative approaches to personality and psychopathology*. Symposium presented at the 101st Annual Convention of the American Psychological Association, Toronto, Canada.
- Clark, L. A., & Watson, D. (1993, August). Linking personality and psychopathology: The search for fundamental dimensions. In L. A. Clark & D. Watson (Chairs), *Finding order in disorder: Integrative approaches to personality and psychopathology*. Symposium presented at the 101st Annual Convention of the American Psychological Association, Toronto, Canada.
- Watson, D. (1993, January). *The Big Five, the Big Two, and the Little Eleven: Exploring relations between affect and personality*. Invited talk presented at the Department of Psychology, University of Iowa, Iowa City, IA.
- Watson, D. (1991, May). Reconceptualizing GAD as an Axis II disorder. In J. D. Maser & H. S. Akiskal (Chairs), *Is Generalized Anxiety Disorder an Axis II Disorder?* Workshop presented at the 144th Annual Meeting of the American Psychiatric Association, New Orleans, LA.
- Watson, D. (1991, August). Discussant. In R. A. Eder (Chair), *Emotionality: Its role in early personality development and the self*. Symposium presented at the 99th Annual Convention of the American Psychological Association, San Francisco, CA.
- Watson, D., & Clark, L. A. (1991, August). A tripartite model of anxious and depressive symptomatology. In R. E. Thayer (Chair), *Theoretical implications and practical applications of modern mood theory*. Symposium presented at the 99th Annual Convention of the American Psychological Association, San Francisco, CA.
- Watson, D. (1990, January). *A hierarchical model of experienced emotion*. Invited talk presented at the Department of Psychology, University of California at Davis, Davis, CA.

- Watson, D. (1990, March). *A hierarchical model of experienced emotion*. Invited talk presented at the Department of Psychology, University of California at Riverside, Riverside, CA.
- Watson, D. (1990, July). *On traits and temperament: Relations between affect and personality*. Invited talk presented at the National Institute of Mental Health, Bethesda, MD.
- Watson, D. (1990, August). Temperament: The affective core of personality. In M. Storandt (Chair), *Affect and emotion in social psychology and personality*. Symposium presented at the 98th Annual Convention of the American Psychological Association, Boston, MA.
- Watson, D. (1990, November). *Affect, personality, and social behavior*. Invited talk presented at the Department of Psychology, Northwestern University, Evanston, IL.
- Watson, D. (1990, November). *The affective bases of anxiety and depression*. Invited talk presented at the Department of Psychology, University of California at Berkeley, Berkeley, CA.
- Watson, D., & Clark, L. A. (1990, May). *The Big Five, the Big Two, and the Small Seven*. Invited paper presented at the 3rd Nags Head Conference on Personality, Nags Head Conference Center, Kill Devil Hills, NC.
- Watson, D., & Clark, L. A. (1990, November). The affective bases of anxiety and depression. In A. T. Beck (Chair), *Recent findings in the differential diagnosis of anxiety and depression: Reflections and reconsiderations for DSM-IV*. Symposium presented at the 24th Annual Convention of the Association for the Advancement of Behavior Therapy, San Francisco, CA.
- Clark, L. A., & Watson, D. (Chairs). (1989, August). *The emotional bases of personality*. Symposium presented at the 97th Annual Convention of the American Psychological Association, New Orleans, LA.
- Watson, D., & Clark, L. A. (1989, May). *Extraversion, positive affect, and social activity*. Invited paper presented at the 2nd Nags Head Conference on Personality, Nags Head Conference Center, Kill Devil Hills, NC.
- Watson, D., & Clark, L. A. (1989, August). General affective dimensions versus discrete emotional factors: A hierarchical model. In L. A. Clark & D. Watson (Chairs), *The emotional bases of personality*. Symposium presented at the 97th Annual Convention of the American Psychological Association, New Orleans, LA.
- Watson, D., & Pennebaker, J. W. (1988, August). Negative and Positive Affectivity: Health complaints, stress and distress. In R. R. Lau (Chair), *Health cognitions and affectivity: Implications for health beliefs and behavior*. Symposium conducted at the 96th Annual Convention of the American Psychological Association, Atlanta, GA.

- Watson, D. (1987, August). What is Negative Affectivity? Parameters and implications of the construct. In A. P. Brief (Chair), *Affect at work*. Symposium conducted at the Meeting of the Academy of Management, New Orleans, LA.
- Watson, D. (1987, August). A two-factor model of affect and its implications for psychopathology. In R. M. Schwartz (Chair), *Cognitive/affective balance in anxiety, depression, and hypomania..* Symposium conducted at the 95th Annual Convention of the American Psychological Association, New York, NY.
- Watson, D., & Clark, L. A. (1987, August). Anxiety and depression and their relation to measures of Positive and Negative Affect. In J. H. Riskind & I. Roseman (Chairs), *Anxiety and depression: Different patterns of affect and cognition?* Symposium conducted at the 95th Annual Convention of the American Psychological Association, New York, NY.
- Clark, L. A., & Watson, D. (1983, April). *A clarification of MMPI factor structure*. Paper presented at the Symposium on Recent Developments in the Use of the MMPI, Minneapolis, MN.
- Watson, D. (1983, May). *Errors in observer attributions*. Invited paper presented at the Missouri Psychological Association Convention, Columbia, MO.
- Watson, D., & Clark, L. A. (1983, April). *Construct validation of the MMPI factors: Personality and clinical correlates*. Paper presented at the Symposium on Recent Developments in the Use of the MMPI, Minneapolis, MN.
- Kendall, P. C., & Watson, D. (1979, September). *Research issues in the interactional study of anxiety*. Invited paper presented at the Symposium on Advances in the Interactional Study of Anxiety, 87th Annual Convention, American Psychological Association, New York City, NY.

### Conference Posters

- Khoo, S., Kotelnikova, Y., Perlman, G., Kotov, R., Klein, D., & Watson, D. (2018, September). Predisposition or scar model: Cross-lagged panel design using Big Five personality and the tripartite model. Poster to be presented at the 32nd Annual Meeting of the Society for Research in Psychopathology, Indianapolis, IN.
- Levin-Aspenson, H. F., Watson, D., Clark, L. A., & Zimmerman, M. (2018, September). What is the general factor of psychopathology? Consistency of the p factor across samples? Poster to be presented at the 32nd Annual Meeting of the Society for Research in Psychopathology, Indianapolis, IN.

- Velardez-Soto, S., Arvizu-Tánori, A., Flores-Jiménez, F., Mendez-Olguin, Z., Corona-Espinosa, A., Watson, D., & Corral-Frias, N. (2018, June). *Concurrent validity and reliability of the Mood and Anxiety Symptom Questionnaire-Short Form (MASQ-SF) in a sample of students in northwest of Mexico*. Poster presented at the 2018 International Conference of Applied Psychology.
- Khoo, S., Watson, D., Clark, L. A., & Stanton, K. (2017, September). *Facet level personality relations of the tripartite model of anxiety and depression*. Poster presented at the 31st Annual Meeting of the Society for Research in Psychopathology, Denver, CO.
- Levin-Aspenson, H., & Watson, D. (2017, September). *Beyond distress and fear: Differential external correlates of PTSD symptom criteria*. Poster presented at the 31st Annual Meeting of the Society for Research in Psychopathology, Denver, CO.
- Serapio-García, G. A., & Watson, D. (2017, October). *Big Data & the Big Five: Computationally Predicting Personality and Psychopathology from Social Media Data*. Poster presented at the Indiana Academy of the Social Sciences 88<sup>th</sup> Annual Meeting, Crawfordsville, IN.
- Ellickson-Larew, S., & Watson, D. (2016, September). *Beyond neuroticism: Establishing the incremental predictive power of dissociation*. Poster presented at the 30th Annual Meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Levin-Aspenson, H., & Watson, D. (2016, October). *Item-level analysis of the structure of thought pathology*. Poster presented at the 30th Annual Meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Stanton, K., Cruitt, P., Kent, A., Ellickson-Larew, S., Stasik-O'Brien, S. M., Clark, L. A., & Watson, D. (2016, September). *Psychopathology characterized by dominance: Articulating its structure and relations with personality and other psychopathology*. Poster presented at the 30th Annual Meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Waszczuk, M., Kotov, R., Ruggero, C., Gamez, W., & Watson, D. (2016, September). *Hierarchical structure of internalizing psychopathology: From individual symptoms to the spectrum*. Poster presented at the 30th Annual Meeting of the Society for Research in Psychopathology, Baltimore, MD.
- Ellickson-Larew, S., & Watson, D. (2015, October). *A meta-analysis of conscientiousness facets and psychopathology*. Poster presented at the 29th Annual Meeting of the Society for Research in Psychopathology, New Orleans, LA.
- Levin-Aspenson, H., & Watson, D. (2015, October). *Method effects on gender differences in depression scores*. Poster presented at the 29th Annual Meeting of the Society for Research in Psychopathology, New Orleans, LA.

- Stanton, K., Gruber, J., & Watson, D. (2015, October). *Different shades of emotion disturbance: Structural analyses reveal two distinct factors associated with mania risk*. Poster presented at the 29th Annual Meeting of the Society for Research in Psychopathology, New Orleans, LA.
- Stasik, S. M., Ellickson-Larew, S., Stanton, K., & Watson, D. (2015, October). *Nosological placement of obsessive-compulsive and related disorders: A comprehensive structural analysis*. Poster presented at the 29th Annual Meeting of the Society for Research in Psychopathology, New Orleans, LA.
- Ellickson-Larew, S., & Watson, D. (2014, September). *Dissociation as a cross-cutting dimension: Relations with affectivity, personality and psychopathology*. Poster presented at the 28th Annual Meeting of the Society for Research in Psychopathology, Evanston, IL.
- Naragon-Gainey, K., & Watson, D. (2014, September). *Incremental validity of social-cognitive vulnerabilities in predicting internalizing disorders: Specific contributions beyond neuroticism and one another*. Poster presented at the 28th Annual Meeting of the Society for Research in Psychopathology, Evanston, IL.
- Stanton, K., Suzuki, N., Stasik, S., Ellickson-Larew, S., & Watson, D. (2014, September). *Quantifying the strength of the relations between facets of positive emotions and psychological symptoms*.
