Training and Education

Ph.D., Clinical Psychology minor, Quantitative Methods	Stony Brook University	2000
Predoctoral Clinical Internship	University of California San Diego School of Medicine	1999-2000
M.A., Clinical Psychology	Stony Brook University	1997
B.S., Psychology	Portland State University	1993

Professional Positions

William K. Warren Foundation Professor of Psychology, University of Notre Dame	since 2021
Founding Director, Notre Dame Suicide Prevention Initiative	since 2021
Affiliated Faculty, Neuroscience and Behavior Program, University of Notre Dame	since 2023
Affiliated Faculty, Lucy Institute for Data and Society, University of Notre Dame	since 2023
Affiliated Faculty, Poverty Studies, Center for Social Concerns, University of Notre Dame	since 2022
Professor of Psychology, The Ohio State University	2013-2021
Affiliate Professor, Nisonger Center for Excellence in Developmental Disabilities, Ohio State University	2018-2021
Faculty Fellow, Executive Dean's Office, College of Arts and Sciences, The Ohio State University	2019
Professor of Psychology, Washington State University	2011-2013
Affiliate Professor of Psychology, University of Washington	2010-2015
Robert Bolles and Yasuko Endo Professor of Psychology, University of Washington	2010
Robert Bolles and Yasuko Endo Associate Professor of Psychology, University of Washington	2006-2009
Associate Chair for Research, Outreach, and Development, University of Washington	2006-2010
Adjunct Professor of Radiology, University of Washington	2010
Adjunct Associate Professor of Radiology, University of Washington	2009-2010
Associate Professor of Psychology, University of Washington	2005-2009
Assistant Professor of Psychology, University of Washington	2000-2004
Research Affiliate, Center on Human Development and Disability, University of Washington	2001-2010
Clinical Intern, University of California at San Diego School of Medicine	1999-2000

Honors and Awards

President, International Society for Research in Child and Adolescent Psychopathology (ISRCAP)	2023,2024
Award for Outstanding Service as a Faculty Mentor, Summer Research Opportunities Program (SROP) for traditionally underrepresented students, Ohio State University College of Arts and Sciences	2020
Joan N. Huber Faculty Fellow, The Ohio State University College of Arts and Sciences	2018-2020
American Psychological Association Mid-Career Award for Outstanding Contributions to Benefit Children, Youth, and Families	2017
David Teller Distinguished Faculty Mentor Award, University of Washington	2010
Joseph Zubin Memorial Fund Award for Early Career Contributions to Research on Psychopathology, New York State Psychiatric Institute and University of Pittsburgh School of Medicine	2009
American Psychological Association Distinguished Scientific Award for Early Career Contributions to Psychology, in the Area of Psychopathology	2006
Postdoctoral Mentor Award, University of Washington Postdoctoral Association	2006
Innovation in Teaching Award, Stony Brook University	1998
Oregon Laurels Scholar	1993-1994

Grants, Contracts, and Fellowships

Principal Investigator, Co-Principal Investigator, or Co-Investigator

<i>Early Detection and Intervention of Personality Disorders Throughout the Life Course</i> Foundation to Support Scientific Research and Innovative Projects in Psychiatry. International, Co-I.	in progress
<i>Conduct Problems and Associated Mental Health Outcomes in the ABCD Cohort: Mapping Interactive Effects of Health Disparities and Psychobiological Factors</i> NIMHD Investigator Initiated Research Grant (R01), \$1,927,010. Multisite, Lead PI.	submitted
<i>Identifying Heterogeneity in Patterns of Risk for Co-Occurrence of Problematic Alcohol Use and Suicidal Thoughts and Behaviors</i> NIMH Investigator Initiated Research Grant (R01), MPI. \$1,937,239	submitted
<i>Investigating the Differential Impact of Digital Communication on Suicide Risk among Late Adolescents Transitioning to College.</i> NIMH Exploratory/Developmental Research Grant (R21), Co-I. \$430,375	submitted
<i>Leveraging Noninvasive Transcutaneous Vagus Nerve Stimulation and Smartphone Technology to Reduce Suicidal Behaviors and Suicide Among Highly Vulnerable Adolescents</i> NIH Director's Transformative Research Award (R01), \$3,813,501. Multisite. (60% contribution as lead PI).	2023-2028
<i>Bridging the data gap between parental adversity and infant health outcomes.</i> Lucy Institute Health Equity Data Lab Grant. \$109,510. (60% contribution as lead PI).	2023-2025
<i>Sociobehavioral Science for Health Equity</i> St. Joseph County Department of Health, \$345,010. Multisite. (40% contribution as MPI; Nitesh Chawla at the University of Notre Dame is lead PI)	2023-2024
<i>Notre Dame Post-baccalaureate Research Education Program (ND-PREP)</i> NIH Postbaccalaureate Research Education Program award (R25), Co-I. \$328,521.	2023-2024
<i>Personality Disorders: Developmental Pathways and Interventions</i> Swiss National Science Foundation. International, Co-I. \$18,805	2023
<i>Acceptability, Feasibility, and Appropriateness of a System of Suicide Prevention Services for Youth with a Parental History of Suicide Attempt</i> NIMH Practice-Based Suicide Prevention Research Center (P50) subaward (R34). \$708,129. Multisite (40% contribution as MPI; Arielle Sheftall at the University of Rochester is lead PI).	2022-2025
<i>Effects of Parental History of Suicidal Behavior on Early/Middle Childhood: Longitudinal Assessment of Early Markers of Suicide Risk.</i> NIMH Investigator Initiated Research Grant (R01), \$2,222,942. Multisite (25% contribution as Co-I; Arielle Sheftall at the University of Rochester is lead PI)	2022-2027
<i>Leveraging Biomarkers and New Technologies to Reduce Self-Injury and Substance Abuse Risk Among Highly Vulnerable Adolescents</i> University of Notre Dame Institute for Precision Health award, \$62,506. PI. (60% contribution as lead PI).	2021-2023
<i>Clarifying Effects of Media Exposure on ADHD Vulnerability</i> NIH-Linked Specialized Center Cooperative Agreement subaward, \$12,155. PI.	2019-2020
<i>Joan N. Huber Social and Behavioral Sciences Faculty Fellowship.</i> The Ohio State University College of Arts and Sciences. \$30,000.	2018-2021
<i>Targeting Corrosive Couple Conflict and Parent-Child Coercion to Impact Health Behaviors and Regimen Adherence.</i> NIDCR Exploratory/Developmental Cooperative Agreement Phase I (UH2), \$1,079,361. MPI.	2016-2020
<i>Longitudinal Study of Legal Status, Stigma, and Well-being Among Diverse Couples</i> NICHD Investigator Initiated Research Grant (R01), \$878,433. Co-I.	2012-2016
<i>Treatment Response and Psychophysiology of Preschool ADHD.</i> NIMH Investigator Initiated Research Grant (R01), \$1,745,049. MPI.	2005-2010

<i>Acquisition of a 3-T Magnetic Resonance Imaging Scanner for Functional Studies of the Human Brain.</i> NSF Major Instrumentation Grant, \$2,000,000. MPI.	2006
<i>Central Nervous System Reward Processing in Adolescent Males with Attention-Deficit/ Hyperactivity Disorder with and without Comorbid Conduct Disorder.</i> University of Washington Royalty Research Fund Grant, \$36,039. PI.	2005-2006
Recipient, National Institutes of Health Pediatric Research Loan Repayment Program	2003-2007
<i>Emotion Regulation in Opiate Dependent Suicidal Patients with Borderline Personality Disorder.</i> NIDA Exploratory Developmental Grant (R21), \$300,000. Co-I.	2003-2006
<i>Conduct Disorder and Depression in Childhood.</i> NIMH Investigator Initiated Research Grant (R01), \$1,471,386. PI.	2002-2007
<i>Emotion Dysregulation and Psychophysiology of Adolescent Parasuicidal Behavior.</i> Seattle Children's Hospital and Regional Medical Center Research Endowment Support Grant, \$30,000. Co-I.	2002-2003
<i>Psychophysiology of Disinhibition in Adolescents.</i> NIMH Individual National Research Service Award (F31) \$16,590. PI.	1998-1999

Sponsor, Cosponsor, or Mentor

<i>Stress Experiences as Markers of Person-level and Temporal Risk for Near-term Suicidal Ideation</i> NIMH National Research Service Award (F31). Anne Knorr.	2023-2025
<i>Longitudinal Associations Between Maternal & Child Emotion Regulation: Examining the role of Maternal Emotion-related Socialization Behaviors.</i> NICHD National Research Service Award (F31). Katherine Edler	2023-2024
<i>The global suicide crisis: Assessing individual- and country-level predictors of suicidal thoughts and behaviors.</i> Scholarship in the Liberal Arts Connected World Grant. Miguel Blacutt.	2022-2023
<i>Brain-based Vulnerability to Substance Use Disorders in a Large Nationally Representative Sample</i> Advancing Diversity in Neuroimaging Research (ADNiR) grant. Arian Sorani.	2021-2022
<i>Predicting Adverse Outcomes Among Sexual Minorities and Heterosexuals from a Prospective Study of Adolescent Health & Wellbeing.</i> NIMHD National Research Service Award (F31). Hunter Hahn.	2019-2021
<i>Neural Substrates of Emotion Dysregulation and Self-Injury.</i> NIMH National Research Service Award (F31). Christina Derbidge.	2009-2012
<i>Error Related Negativity and Social Functioning in Children: An Event Related Potential Study.</i> NSF Graduate Research Fellowship. Katherine Shannon.	2006-2008
<i>Emotion Regulation in Teen Parasuicide and Depression.</i> NIMH National Research Service Award (F31). Sheila Crowell.	2006-2009
<i>Biosocial Risk in Conduct Problems and Depression.</i> NIMH National Research Service Award (F31). Penny Marsh (2% but student left academia).	2006-2008
<i>Development of Alcohol and Drug Use Among High Risk Adolescents.</i> NIDA National Research Service Award (F31). Sharon Brenner.	2006-2008
<i>Biological and Psychological Correlates of Suicide Risk in Parasuicidal Adolescent Girls: Testing an Emotion Dysregulation Model.</i> Lizette Peterson-Homer Injury Prevention Grant, Division 54, American Psychological Association. Sheila Crowell.	2005
<i>Adolescent Patterns of Self Harm</i> Mary Gates Endowment for Students Award. Adrienne Stevens	2004-2005

Contributions and Commitment to Diversity, Equity, and Inclusion

University of Notre Dame College of Arts and Letters/Lucy Institute/St. Joseph County Research Professorship in Health Equity Research, College sponsor, 2023-26

University of Notre Dame Summer Research Opportunity Program (SROP) for underrepresented students, faculty sponsor, 2023-

University of Notre Dame Clinical Area Equity, Diversity, and Inclusion Committee, founding member, 2022
National Institutes of Health Postbaccalaureate Research Education Program (PREP) (R25), Co-I, 2023-2024
Building Bridges Mentoring Program, University of Notre Dame, since 2021
Eliminating Bias in Peer Review. National Institutes of Health Center for Scientific Review training, 2023
Advancing Diversity in Neuroimaging Research (ADNiR), Ohio State University College of Arts and Sciences, student grant advisor, 2021-22
Award for Outstanding Service as a Faculty Mentor, Summer Research Opportunities Program (SROP) for traditionally under-represented students, Ohio State University College of Arts and Sciences, recipient, 2020
Ohio State Black Students in Psychology Undergraduate Student Organization, faculty advisor, 2020-21
Ohio State Clinical Psychology Committee on Diversity, Equity, and Inclusion, founding member, 2020-21
Ohio State Summer Research Opportunity Program (SROP) for underrepresented students, faculty sponsor, 2018-20

Professional Affiliations

Community Event Presentations

- Beauchaine, T. P.** (2023). Community crisis prevention panel. Michiana mental Health Summit. South Bend, IN.
- Beauchaine, T. P.** (2018). Research brief: Clinical psychology. Invited lecture delivered at the Ohio Psychology Teaching Conference. Columbus, OH.
- Beauchaine, T. P.** (2010). Brain science as a means of understanding delinquency and criminality in youth. Invited lecture presented at the Annual Spring Conference of the Washington State Supreme and Appellate Courts.

Beauchaine, T. P. (2006). Implications of abuse and neglect for adolescent behavior and development. Invited lecture presented at the annual CARES Northwest conference, Portland, OR.

Beauchaine, T. P., & Tapert, S. (2006). Brain science as a means of understanding delinquency and substance use in youth. Edward's Lecture Series, University of Washington, Seattle, WA.

Professional Presentations

Invited Lectures and Presentations

Beauchaine, T. P. (2023). Dante Cicchetti's legacy in the past, present, and future of *Development and Psychopathology*. Invited lecture presented at the Biennial Meeting of the Society for Research in Child Development, Salt Lake City, Utah.

Beauchaine, T. P. (2023). Rising suicide rates and ADHD's part in it. Invited plenary lecture presented at the Annual Meeting of the American Professional Society of ADHD and Related Disorders. Orlando, FL.

Beauchaine, T. P. (2023). Developmental pathways to personality disorders. Invited talk to be delivered at the Conference of the European Society for Psychotherapy Research. Crêt-Bérard, Switzerland.

Beauchaine, T. P. (2022). Envisioning the Future of Developmental Psychopathology. Invited lecture delivered at the Ninth Annual Meeting of the International Developmental Psychopathology Scientific Research Network. Katholieke Universiteit Leuven. (KU Leuven). Leuven, Belgium.

Ammerman, B., & **Beauchaine, T. P.** (December 2022). The Notre Dame Suicide Prevention Initiative: A one-year progress report. Invited lecture presented at the Elkhart General Hospital Department of Psychiatry Grand Rounds Series. Elkhart, IN.

Ammerman, B., & **Beauchaine, T. P.** (May 2022). Primary and secondary approaches to suicide prevention. Elkhart General Hospital Department of Psychiatry Grand Rounds Series. Elkhart, IN.

Beauchaine, T. P. (2021). Differential development of impulsivity for boys vs girls: Neurobiological vulnerabilities, environmental risk factors, and etiological complexities. Invited lecture presented at the Oregon Health and Science University Department of Psychiatry. Portland, OR.

Beauchaine, T. P. (2021). Developmental psychopathology. Invited roundtable at the Department of Psychology, Vanderbilt University. Nashville, TN.

Beauchaine, T. P. (2021). A dimensional perspective on antisocial and borderline personality development. Invited lecture to be presented at the annual meeting of the International Society for the Study of Personality Disorders. Oslo, Norway.

Beauchaine, T. P. (2020). Environmental adversity and suicidal behaviors in impulsive adult men and preadolescent girls: Implications for prevention. Invited lecture presented at the University of British Columbia Department of Psychology Colloquium Series. Vancouver, BC, Canada.

Beauchaine, T. P. (2020). Differential trajectories of impulsive behavior for boys versus girls who incur adversity. Invited lecture delivered at the Ohio University Colloquium Series, Athens, OH.

Beauchaine, T. P. (2019). Differential development of impulsivity and emotion dysregulation for boys and girls. Invited keynote lecture delivered at the Seventh Annual International Meeting of the Scientific Research Network. Katholieke Universiteit Leuven, Leuven, Belgium.

Beauchaine, T. P. (2019). ADHD, child maltreatment, and emergence of self-injury and suicidal behaviors in young women: How can we serve Ohio State students who may be affected. Invited presentation at the Mental Health Summit at Ohio State University Conference, Columbus, OH.

Beauchaine, T. P. (2019). Dispositional and environmental predictors of and structural and functional correlates of adolescent self-harm. Invited lecture presented at the Third Annual Chapel Hill Conference, Chapel Hill, NC.

Beauchaine, T. P. (2019). An ontogenic process perspective on adjustment problems across the lifespan: Neurobiological vulnerabilities, environmental risk factors, and differential outcomes for boys versus girls. Invited lecture delivered at the Early Origins of Male Violence Conference, Santa Fe, NM.

- Beauchaine, T. P.** (2019). Etiological complexity of impulsivity from preschool to adolescence for boys vs. girls: Neurodevelopmental considerations. Grand Rounds delivered at Seattle Children's Hospital. Seattle, WA.
- Beauchaine, T. P.** (2019). A developmental psychopathology perspective on externalizing behavior: Transdiagnostic vulnerabilities, etiological complexities, and multifinal outcomes for boys versus girls. Invited lecture delivered at the University of Minnesota Institute of Child Development, Minneapolis, MN.
- Beauchaine, T. P.** (2019). Embracing etiological complexity. Invited lecture delivered at the Nisonger Center for Excellence in Developmental Disabilities. Ohio State Wexner Medical Center, Columbus, OH.
- Beauchaine, T. P.** (2018). A neurodevelopmental perspective on trait impulsivity and psychopathology for girls: Self-inflicted injury as an outcome of ADHD and maltreatment. Invited paper presented at the Annual Meeting of the Association for Psychological Science, San Francisco, CA.
- Beauchaine, T. P.** (2018). Early development of the autonomic nervous system provides a platform for adaptive social behavior. Invited lecture delivered at the Autism Research Institute. Dallas, TX.
- Beauchaine, T. P.** (2018). Neurodevelopmental outcomes of impulsivity and environmental adversity for boys: A conceptual model for preventing delinquency and recidivism. Invited lecture presented at the Third International Neurosequential Model Symposium, Banff, Alberta, Canada.
- Beauchaine, T. P.** (2018). Neurodevelopmental outcomes of impulsivity and maltreatment for girls: A conceptual model for preventing self-injury and suicide. Invited lecture presented at the Third International Neurosequential Model Symposium, Banff, Alberta, Canada.
- Beauchaine, T. P.** (2017). Trait impulsivity and development of psychopathology: Etiological considerations and new findings for girls. Grand Rounds delivered at the Cleveland Clinic Department of Psychiatry. Akron, OH.
- Beauchaine, T. P.** (2017). Trait impulsivity and development of psychopathology: Transdiagnostic vulnerabilities and etiological complexities. Grand Rounds delivered at The Ohio State University, Department of Psychiatry. Columbus, OH.
- Hinshaw, S. P., **Beauchaine, T. P.**, Goodman, S., & Shiner, R. (2017). Ontogenic models of comorbidity and impairment in children, adolescents, and young adults: A developmental psychopathology perspective. Invited symposium presented at the Annual Meeting of the Association for Psychological Science, Boston, MA.
- Beauchaine, T. P.** (2017). Ontogenic process models of externalizing behavior in the era of neuroscience and RDoC: A developmental psychopathology perspective. Invited paper presented at the Annual Meeting of the Association for Psychological Science, Boston, MA.
- Beauchaine, T. P.** (2017). Subcortical and cortical substrates of externalizing vulnerability across development. Invited lecture delivered at the Center for Children and Families, Department of Psychology, Florida International University, Miami, FL.
- Beauchaine, T. P.** (2016). Comorbidities and continuities in externalizing behavior in the era of neuroscience and RDoC. Grand Rounds delivered at Washington University, Department of Psychiatry. St. Louis, MI.
- Beauchaine, T. P.** (2014). Comorbidities and continuities as ontogenic processes: Toward a developmental spectrum model of externalizing psychopathology. Invited lecture delivered at the Merrill Palmer Skillman Institute, Detroit, MI.
- Beauchaine, T. P.** (2011). The developmental psychopathology of impulsivity. Invited lecture delivered at Temple University, Department of Psychology. Philadelphia, PA.
- Beauchaine, T. P.** (2010). Impulsivity and vulnerability to psychopathology in childhood and adolescence. Invited lecture delivered at Yale University, Department of Psychology. New Haven, CT.
- Beauchaine, T. P.** (2009). Trait impulsivity as a risk factor for psychopathology in childhood and adolescence. Invited lecture delivered at the State University of New York at Stony Brook Department of Psychology. Stony Brook, NY.
- Beauchaine, T. P.** (2008). Biological and environmental mechanisms of comorbidity and continuity in behavior problems in children and adolescents. Invited Grand Rounds presentation delivered at the University of Michigan Department of Psychiatry. Ann Arbor, MI.

- Beauchaine, T. P.** (2008). Biological and environmental mechanisms of comorbidity and continuity in behavior problems in children and adolescents. Invited Grand Rounds presentation delivered at the University of Washington Department of Child and Adolescent Psychiatry. Seattle, WA.
- Beauchaine, T. P.** (2007). Insights from neuroscience into the effects of impulsivity and early life experience on school readiness and social functioning in youth. Invited lecture delivered at the University of Washington Conference on Early Learning. Seattle, WA.
- Beauchaine, T. P.** (2007). Internalizing and externalizing disorders of childhood and adolescence—Perspectives from developmental psychopathology. Paper presented at the Annual Convention of the American Psychological Association, San Francisco, CA.
- Beauchaine, T. P.** (2007). Biological and familial predictors of externalizing behaviors in children and adolescents. Invited lecture presented at the University of Wisconsin Madison Department of Psychology colloquium series. Madison, WI.
- Beauchaine, T. P.** (2006). Preventing psychopathology: The importance of identifying high risk traits in at-risk children. Invited lecture delivered at the Annual Convention of the American Psychological Association, New Orleans, LA.
- Beauchaine, T. P.** (2006). Changes in brain structure and function as a result of abuse and neglect. Invited lecture presented at the annual CARES Northwest conference, Portland, OR.
- Beauchaine, T. P.** (2005). Autonomic, serotonergic, and behavioral markers of trait impulsivity in children: Implications for prevention. Invited lecture delivered at the SUNY at Stony Brook Department of Psychology colloquium series, Stony Brook, NY.
- Beauchaine, T. P.** (2005). From phenotype to endophenotype: Implications for early detection and prevention of psychopathology in children. Invited lecture delivered to the Social Development Research Group, Seattle, WA.
- Beauchaine, T. P.** (2004). Taxometrics and developmental psychopathology. Invited contribution to the Advanced Methodology symposium series, National Institute of Mental Health, Washington, DC.
- Beauchaine, T. P.** (2004). Scale Development and Measurement. Invited lecture delivered to the Association of Advanced Practice Psychiatric Nurses. Seattle, WA.
- Beauchaine, T. P.** (2003). From phenotype to endophenotype: Implications for diagnosis and prevention of child psychopathology. Invited lecture delivered to University of California Berkeley Psychology Department.
- Beauchaine, T. P.** (1999). Using the web as a teaching tool. Invited presentation at the Center for Excellence in Teaching. State University of New York at Stony Brook, Stony Brook, NY.

Conference Presentations, Symposia, and Workshops

- **Park, J. W., Jacobucci, R., & Beauchaine, T. P.** (2023). Structural topic modeling and clustering between r/self-harm and r/suicidewatch data. Paper accepted for the Annual Meeting of the Association for Behavioral and Cognitive Therapies. Seattle, WA.
- Sheftall, A. H., & **Beauchaine, T. P.** (2023). Non-suicidal self-injury (NSSI) in childhood: An exploratory study. Paper presented at the International Summit on Suicide Research. Barcelona, Spain.
- Beauchaine, T. P.** (2023). A neurodevelopmental perspective on trait impulsivity, ADHD, and suicide risk. Symposium presentation delivered at the Annual Meeting of the American Professional Society of ADHD and Related Disorders. Orlando, FL.
- **Calabrese, J., **Haines, N., & Beauchaine, T. P.** (2022). Automated facial expression coding in mother-daughter dyads. Poster to be presented at the annual convention of the Midwest Psychological Association. Chicago, IL.
- **Haines, N., Mathur, A., Turner, B., Beauchaine, T. P., & Blair, J.** (2021). The roles of reward and punishment learning in externalizing behavior in adolescence: A joint generative model of traits and behavior. Annual Meeting of the Society for Mathematical Psychology. Virtual due to coronavirus.

- *Cunningham, K., *Korn, C., *Jones, T., **Hahn, H., & **Beauchaine, T.P.** (2021). Problematic drinking in adolescence: Effects of peer substance use, race, sexual orientation, and minority stress. Poster to be presented at the Annual Meeting of the Association for Psychological Science. Virtual due to coronavirus.
- *Korn, C., *Cunningham, K., *Jones, T., **Hahn, H., & **Beauchaine, T.P.** (2021). Sexual minority youth and disparities in sleep quality: Findings from a longitudinal study of adolescent health. Poster to be presented at the Annual Meeting of the Association for Psychological Science. Virtual due to coronavirus.
- **Yan, J., Schoppe-Sullivan, S., & **Beauchaine, T. P.** (2021). Paternal antisociality and growth in child delinquent behaviors: Moderating effects of child sex and respiratory sinus arrhythmia. Paper presented at the virtual Biennial Meeting of the Society for Research in Child Development.
- **Haines, N., **Beauchaine, T. P.**, Galdo, M., Rogers, A. H., Hahn, H., Pitt, M., Myung, J., Turner, B. M., & Ahn, W.-Y. (2020). Anxiety modulates preference for immediate rewards among trait-impulsive individuals: A decision theory and hierarchical Bayesian analysis. Paper presented at the 53rd annual Society for Mathematical Psychology and 18th annual International Conference on Cognitive Modelling meetings. Virtual due to coronavirus.
- **Kamara, D., & **Beauchaine, T. P.** (2020). Characterizing sleep disturbance in 16p11.2 copy number variants (CNVs). Poster to be presented at the Annual Conference of the Society of Pediatric Psychology, Dallas, TX.
- **Hahn, H., Chisolm, D., & **Beauchaine, T. P.** (2019). Delinquency does not differ between sexual minority and heterosexual youth. Paper presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, Atlanta, GA.
- Beauchaine, T. P.** (2019). Applying machine learning and related technologies to decode in-session emotional processes and personalize treatment recommendations. Discussant for paper symposium presented at the Annual Meeting of the Association for Psychological Science, Washington, DC.
- **Haines, N., **Southward, M. W., Cheavens, J. S., **Beauchaine, T. P.**, & Ahn, W.-Y. (2019). Computer-vision and machine learning can classify facial expressions of emotion with accuracy that rivals human coders. Paper presented at the Annual Meeting of the Association for Psychological Science, Washington, DC.
- **Haines, N., Shen, Y., Butka, Z., Lim, S.-L., **Beauchaine, T. P.**, & Ahn, W.-Y. (2018). The effect of stress on decision-making processes among nicotine smokers: A computational modeling approach. Paper presented at the Annual Meeting of the Society for Mathematical Psychology and the International Conference on Cognitive Modeling, Madison, WI.
- Beauchaine, T. P.** (2018). Etiological complexity of emotion and behavior. Presented at the Graduate Seminar in Intellectual and Developmental Disabilities. Nisonger Center, Ohio State University, Columbus OH.
- **Kamara, D., & **Beauchaine, T. P.** (2018). A review of sleep disturbances among infants and children with neurodevelopmental disabilities. Poster presented at the *Journal of Clinical Child and Adolescent Psychology* Future Directions Forum, Washington, DC.
- **Haines, N., **Southward, M. W., Cheavens, J. S., **Beauchaine, T. P.**, & Ahn, W.-Y. (2018). Computer-vision and machine learning can classify facial expressions of emotion with accuracy that rivals human coders. Paper presented at the Annual Meeting of the Association for Behavioral and Cognitive Therapies, Washington, DC.
- Beauchaine, T. P.**, Johnson, S., Tackett, J. L., & Kotov, R. (2018). Diverse perspectives on P: A multidisciplinary account of general liability to psychopathology. Symposium presented at the Annual Meeting of the Association for Psychological Science, San Francisco, CA.
